ring ideological differences which have long kept NAACP inner councils in a state verging on an armed truce, flared into open hostility this week as the race's Elder Statesman, Dr. W. E. B. DuBois, challenged the right of NAACP Head Walter White to go to Europe on a Presidential Mission.

The two men both highly influential in national and NAACP affairs, have long entertained diametrically opposed political views which would have brought conflict to the NAACP hiearchy but for the organization's deter-

minedly "non-partisan" policy. This week, however, that sam policy provided Dr. DuBois with a vantage point from which to charge the NAACP Executive Secretary with plunging the Association into partisan politics The opportunity was provided Paris Conference

as a result of Mr. White's agreeing to attend the U. N. General Assembly which meets this month (Continued on page 8, 1st Section)

MAN DIES IN FALL

WADESBORO -- John Arnold 30-year old Aberdeen man, was killed early Sunday in a truck accident 12 miles north of here when, according to Patrolman F R. Sechrest, he apparently fel' head first from a moving truck Coroner H. H. Leavitt ruled the accident unavoidable.

10,000 MISS. VOTERS ARE BEHIND TRUMAN **CLAIMS PUBLISHER**

"The 10,000 qualified Negro voters in Mississippi will support President Truman in the coming November election not only with their votes but also with their money," Percy Green, editor and publisher of the Jackson Advo cate, this week tlatly predicted. Greens pledged his full coope ration in the financial drive sponsored by the National Citizens Committee for the Reelection of President Truman. He told Con gressman William L. Dawson, chairman, at the Committee's headquarters in the Biltmore Hotel that "the more than 1.126, 000 Negroes, to n extent unsurapassed by any other group, realize that the stand taken by Presi dent on civil rights exemplifies itself and puts America in step

Greene said that "despite ti sissippi and throughout th He stated that this conclusion has been reached by them after 16 years of social security benefits, education and fair wage stand its 68th annual session at Oak-Continued on page 7. 1st Section | land, California this week. (ANP)
