GOV. J. THURMOND TERMS FEPC ACT A RED INSTRUMENT

LUBBOCK, Texas (ANF) --The proposed fair employment defense for Communists in the United States, according to Gov. J. Strom Thurmond presidential candidate of the State's Righters party here las; week. The gubernatorial head of South Carolina was speaking before a political meeting.

"By clamoring for their rights under the FEPC the Communists will force their agents and saboteurs in every tool and die room, every machine shop and every industrial plant and laboratery, atomic or otherwise, in America," he said.

He held that the "so called civil rights program" of President Truman was made up of the very measures which Thaddeus Stevens conceived in his hatred of the south, following the war between the states.

"When congress passed the Thaddeus Stevens program, the superme court promptly declared the legislation unconstitutional, even in the atmosphere of reconstruction, and upheld in all its vigor the doc-
