TIPS OFFERED ON MARKETING

The weather during presents a considerable hindrance to a farmer's marketing his products. For many the market is out of the state, and the farmer of Alabama, Georgia, Florida, and Mississippi is faced with the problem of marketing his products in a market that is far from his home.

It is suggested that the farmer should consider the possibility of marketing his products in a market that is closer to his home. This may be done by marketing his products in a market that is closer to his home.

Clifton Douglas by a farm with two men in the field. The Bob and Pat Show which was scheduled for last week was postponed because of rain. The show will be held as soon as the weather permits.

At the meeting of the executive committee of the Alice H. Brown Public Library, E. A. Thornton, chairman, reported that all plans for the setting up of the New Alice H. Brown Public Library for the citizens of Goldsboro and Wayne County have been approved by the Goldsboro library board.

It had been authorized to begin work immediately on renovating and equipping the building at 325 W. Pine St. with proper lights. As soon as the work of installing new lights and the painting is completed, the placing and moving of the library books and fixtures will begin.

Mr. Thornton estimated that it will take at least four weeks to get the library ready for use. However, it will be the last of August or the first of September before the library would be ready for the opening.

The committee needs to be congratulated for the very fine work and results in seeing that this project becomes a success.

An appropriation of \$1,000.00 has been made for the operation of the library building from the State of North Carolina. The library will be a wonderful thing for the citizens of Goldsboro and Wayne County. It will be a place where the people can get their books and other materials.
