

URGE DENIAL

(Continued from page one)
...on to ask approval of Durham's share of the recently issued \$50,000 school bond issue.

The complete text of the Thompson Wheeler telegram follows:
Honorable Clyde A. Erwin, State Superintendent Public Instruction, Education Building, Raleigh, N. C.

Newsletters indicate Durham City Board of Education will appear before your panel today asking approval of construction projects some of which are for white schools.

Section 115-2 also provides that the children of the white race and the children of the colored race shall be taught in separate schools.

Local Board had school properties reappraised in 1947 and on basis of average daily attendance for 1948-1949 and using 1947 valuations the value of buildings in Durham City System was \$774,041 for each white child and \$209,277 for each colored child.

This represents flagrant discriminatory practice by the local Board in violation of Section 115-2 of North Carolina General Statutes. We therefore request that you deny approval of further construction in white schools pending correction of discriminatory conditions.

We urge you to exercise the power granted you by North Carolina Statutes to prevent discrimination and also to call attention to the fact that these statutes not only give you the power to prevent discrimination but state that you are charged with the duty of preventing it.

Above quoted figures showing per capita outlay are further supported by figures shown in your latest published report to the effect that the per capita outlay for each white child in Durham City Schools is \$497 against \$194 for each colored child.

HEADS DRIVE

New York (ANP) — Mrs. Eleanor Roosevelt has accepted honorary chairmanship of a national campaign to raise \$500,000 for Bethune-Cookman college. It was announced last week by Mrs. Mary McLeod Bethune, founder and president-emerita of the institution.

The National headquarters for the campaign which is being carried forward by "Friends of Bethune-Cookman college" have been established in the Duane hotel in New York City.
