RALEIGH - I have been trying to refrain from menioning the terrific heat we've all been suffering under he past several days for they say the less you think bout how hot it is, the less you'll notice it. But what e've been having must be something of a record for hese parts which upsets all revious ones. And although here isn't much any of us can do about it in spite of all ur talk, we can get a bit of consolation from the fact hat one isn't alone in his suffering,

News has come to me that several Raleighites have one to nearby beaches for respite from these top thernomter readings. If you have made such a trip, give me ring. I'd like to pass the information on to others in nswer to a number of inquiries about the best places

DELTA MEMBERS ADMIRE NEW LIBRARY AWARD -Members of Delta Sigma Theta Solority are proud these days for their achievement in winning the Letter Library Award of the American Library Association at its recent meeting in Chicago. The Deltas earned the group's top award for its famed Bookmobile Library on wheels project in the rural South. Last year, the bookmobile service in northwest Georgia brought library service to thousands of rural citizens who otherwise may never have had an opportunity to see a book. This particular project was judged by the Library body as one of the great contributions made in this field during the past year. In the above picture are shown three top sorors as they display the plaque. They are (left to right) Mrs. Avery Hamilton, regional director: Miss Maude L. Watkins, chairman, Deltas' national -library committee, who accepted the plaque, and Mrs. Jeanette Triplett Jones, past grand presigent of the sorority. - (ANP)
