Student Placement Meet

DURHAM, N. C. — A special Senior Placement clinic was held here at North Carolina College last week under the auspices of the North Carolina College Alumni Association. The Placement Bureau was established in 1947. According to Johnson, the Bureau has helped to place several hundred N. C. C. graduates in responsible positions throughout the East, South, and Midwest. Johnson says North Carolina College graduates have received positions in 23 states as a result of the Bureau's placement program. Prospective employers of N. C. C. graduates are teachers, stenographers, secretaries, business executives, laboratory technicians, public health educators, lawyers, and librarians are urged to come in contact with Johnson at N. C. College.
