a sipule birth The wite of a former milt worker who is now in Korea with United Nations Armed Forces, Mrs. Brown last week gave birth to the triplets (Continued on page 8)

QUESTION: Relate an in teresting tale you've heard es told from your barber

MR H J JETER, barber, Har-A construction worker who had been having trouble with one of his fellow workers stealing his bunch decided to find some means of apprehending the culprit So

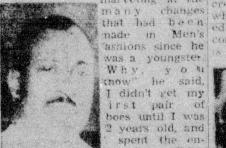

he had the local pharmacet concoet a pution of poison that could be put into his lunch without bethe following day, on having

his hunch (which contained th poisoned concoc him, and he didn't want to be responsible for

the man's death merely because he was a thief. Therefore, he returned to the pharmacist and had him prepare a remedy that would save the life life of the person who had consuited the poisoned food.

That day, after announcing to his fellow workers how the lunch that had been stolen was poisoned, and how he had procured a remedy to save the culprit's life, one of his co-workers walked up to him and said, "Look here friend. I'm not the guy who bothered your lunch, but what about giving me some of that stuff any-

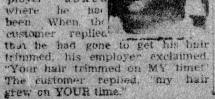

MR JAMES A BLUE, barber. Capitol City Barber Shop, Raleigh: A recent customer of mine was

cire day walking backwards so that I could see those pretty tracks I was making. "And" the customer continued, "My mamma bought me my first neck-tie when I was 35 years old; and I stood still for three whole days after I put it on because

I thought I was hitched."
