FBI ASKED TO INVESTIGATE

has been asked to have the Department of Justice investigate charges that Negroes have not been allowed to register in three North Carolina Counties. Secretary Raymond Maxwell of the State board Tuesday made public a telegram which Charles McLean of Winston-Salem, State director of the Political Action Committee of the National Association for the Advancement of Colored People, sent last week to Charles M. Britt of Asheville, so that they might be eligible to chairman of the State board. McLean's wire reportedly told Britt that Negroes had been denied permission to register in the three counties and added; "(I) have this day requested President Truman to order investigation by Department of Justice."
