condition and began to argue with him and strike him with her hands and fists.

It was then, the alleged killer revealed, that he struck his wife with "something" when she was quitted. Finch further said, he lay back down upon the bed and went to sleep.

When he woke up about 8 o'clock Saturday morning, Finch said, he found his wife lying on the floor beside the bed. He said that he attempted to wash blood from her face before calling a physician.

After rendering what he probably considered "first aid" Finch went to the home of a neighbor, Murphy Glenn, to call a physician. The neighbor called both the physician and the police department, who found the woman dead when they arrived on the scene.

Finch waived preliminary hearing in City Court Monday allowing the charge to be bound over for trial in a subsequent session of the Superior Court.

This And That

help this task will be accomplished.

A few weeks ago, this group called on us for assistance in the promotion of a lecture. Mrs. Edith Sampson, internationally known lawyer and the only Negro woman member of the United Nations Assembly had been secured by the War Mothers to fill a speaking engagement here. We were asked to assist in publicizing this event and we accepted the assignment with pleasure. We are certain that the group placed a much too high evaluation upon the small service we were able to render them, but their letter of appreciation brought a warm glow of satisfaction to our being and an added sense of respect and admiration for this wonderful group of women. We are taking the liberty of sharing this letter with you, in the hope that you will find it

possible to and in some manner the cause this group has set their heart on fulfilling. Mr. James A. Shepard, 421 S. Bloodworth Street, Raleigh, North Carolina, Dear Mr. Shepard: You will never know how grateful and appreciative we are of the contribution you made to the United War Mothers' effort which was one of our greatest ventures. It could not have "gone over the top" without the sacrifices you made.

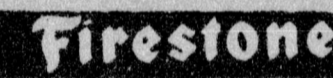

Believe us when we say we are deeply moved by this manifestation of your devotion to our community and our State objective. A War Memorial.

Again please accept our deepest thanks for your generous contribution to our program. If at anytime we can be of service to you, please do not hesitate to call on us.

Very truly yours,
N. C. CHAPTER OF UNITED WAR MOTHERS
