TITLE BOUT TO BE HELD

Although the boxing community are doing very little these days to do championship fights, there are some championship fights coming up, believe it or not. Top one, of course, is the Sept. 24 battle between heavyweight champion Rocky Marciano and Roland LaStarza at the Polo Grounds in New York. Both men are in training and nothing unusual is happening in the camps.

Light heavy King Archie Moore is down in South America. Nobody has said anything about his next title defense, but Tommy Harrison says he is going to file an official challenge for a championship bout.

There is no middleweight champion, but Randy Turpin of England, former kingpin, will seek to regain these honors Oct. 21 against Carl (Bobo) Olson of Hawaii at Madison Square Garden in New York.

Vetrans Of Foreign War Should Wear 'Malta Cross'

WILMINGTON.

By Samuel DRAIN

The "Cross of Malta" is a real foreign service decoration and official insignia of our beloved order recognized and protected by the United States Government as such. The cross glorifies the tattooed shirt of the poorest working man and beautifies the coat worn by the highest in the land, binding all with that same spirit of comradeship which existed among the veterans of the old crusades. Be proud to wear the "Cross of Malta" for these proofs of distinction:

1. That you did not discard your loyalty to America when you became a civilian.
2. Proof of your devotion to the welfare of the United States of America because your membership helps to support the V. F. W. program of education in Americanism for all citizens with emphasis on respect and reverence for our patriotic traditions.

of today must be trained for good citizenship in the future, because your membership helps the V. F. W. foster constructive youth programs through activities designed to reduce juvenile delinquency. 4. Proof that your contempt for communism and all other subversive doctrines because your membership is making it possible for the V. F. W. to fight these evils with the weapons of truth about the basic principles of Americanism. 5. Proof of your interest in civic affairs because your membership helps activate V. F. W. sponsorship of a great variety of community service that contributes to the betterment of all people.

Veterans we need your membership. Wear the "Cross of Malta"—A credit to yourself and an honor to the Veterans of Foreign Wars.
