Hi there, here we are again with a bit more chatter on the happenings about town. Give us a listen won't you? And don't forget whenever you have a bit of news out your way either send me a card to St. Augustine's College or call me at 2-4367. I'll be waiting to hear from you during the week, especially regarding your activities during the Thanksgiving holidays.

On Friday, November 20, Snow University celebrated its 88th Anniversary. The speaker for the occasion was Dr. John P. Turner. After the ceremony at the grave of the founder, Henry Martin Turner, where Miss Clara Jean Harrison placed a wreath on the grave, the Founders' Day Service proper was held in the University Church where both Dr. Strasser, president and Dr. Turner spoke. ed to the honoree. A delightful ice cream course was served along with a beautifully decorated birthday cake.

For those "Little things" that often get batted about, there's a new plastic bag with four pockets for fragile lingerie, stockings, handkerchiefs, or gloves. It's nice for a suitcase or for a dresser drawer as everything's in plain view, and any item can be removed without disturbing the others. It can be kept spotless by sponging with a sudsy cloth—so that life's little dainties will always be fresh and clean.
