THOUGHT FOR THE WEEK:
A good rule to follow is to spend your time so that you won't have to repent for what you did. Spend it in nothing that you cannot pray to God over, nor in nothing that you will have a remorse of conscience over. Do this and you will be able to live with yourself more happily.

Haste makes waste. Take more time and drive carefully. Read the CAROLINIAN, Please!

Washington School Notes

Assembly programs in 1954 had a fine beginning when Dr. J. Watson, principal of Ligon Junior and Senior High School, gave a travelogue of his European trip last summer. The slides were made from pictures taken by Dr. Watson while visiting schools and interesting places in England, Scotland, Switzerland, Belgium, Germany, and France. Pictures vividly portraying Chamus Elysee, Notre Dame, Arch of Triumph, the Eiffel Tower, etc., captured the beauty of Paris, the old city of light and enchantment and showed us that Dr. Watson had adopted her as his favorite city. No finer comment was paid the travelogue than that paid by a small junior high school student who said, "That was the best program I ever heard."

NEW LOOK IN CHAPEL COMPLETED
The chapel is finally completed with gray cyclorama having been hung. One never imagined the place could be renovated to look so pretty. The students are showing their appreciation by treating the assembly with respect.

HONOR ROLL
The following students were on the last six weeks honor roll: Lucy Bunch, 9A; Eleanor Num, Marie Roll, 7A.

PTA POSTPONED
The PTA for January 14th has been postponed until Tuesday night, January 26th at 8 o'clock. The president, Mr. Orpheus Whitaker, hopes a large crowd will be present.

ARMY STRENGTH TRIPLES
From a June 30, 1950, personnel strength of 591,487, the U. S. army has increased to a force of 1,594,532 serving in 20 divisions, 10 regimental combat teams and more than 100 anti-aircraft battalions.
