Rev. Thompson, assistant pastor of Oak City Baptist Church brought a message of beauty and culture to his audience at the eleven o'clock service Sunday morning. Altho the weather was inclement, quite a large number attended Palm Sunday services. At four o'clock Sunday afternoon, Women's Day was observed at St. James AME Church. A lovely program was rendered by the ladies from the First Church and Sister Churches. Music was furnished by the Woman's Chorus of St. James Church and four selections were sung by young lady students from Peace College.

Mr. John Miller, Teacher of Bible at Peace College, accompanied the girls and gave a few remarks of appreciation. The Joy-teers Quartet from Asbury gave two selections. Mrs. Addie G. Logan was guest speaker and made a wonderful impression on her audience. Quite a nice sum of money was realized from this effort. Mrs. Mary I. Harris was Mistress of ceremonies. Rev. Mrs. Frazier occupied the pulpit at St. James Sunday night. She spoke fully of Gods mercy and kindness to his people and what we should do to show our love for Him in return for His Holy Week services will be held at the Christian Church each

HENDERSON — No more significant, spontaneous, or universally attractive festival has ever been instituted than that which celebrates the return of spring, the budding of leaves and flowers. Easter is an ancient pasover feast and has been preserved by the Church and set aside to commemorate the Christian belief in the Resurrection. Easter is an enjoyable time for all. "I think of the garden after the rain; And hope to my heart comes singing, "At morn the cherry blooms will be white and the Easter bells be ringing."

Rocky Mount's Social Whirl

BY J. B. HARRIS
ROCKY MOUNT — Mrs. Mollie Adams of Elmhurst, N. Y., has returned home after a visit with her parents, Mr. and Mrs. Wayne (William) Byham of 233 Beaman Avenue. Mrs. Byham is recovering from a recent case of illness. Retired railroad man William T. Armstrong is seen basking in the sun now that the warm days of spring have arrived in force. Mrs. A. H. Harren and a group of her first and second grade pupils from the Wells (Transference Hall) school, presented a play at the Lancaster school last week to assist the Home Demonstration Club in fund-raising. The play had previously received creditable mention during district elimination at Living Hope school.

Cooke is pastor. Kesler Temple AME was organized in 1891 and has seen four of its pastors. They are Elder J. C. Byham, Rev. G. Harrington, Rev. S. P. Cooke and Rev. S. P. Cooke, present pastor. The program included church members taking each month of the year and raising various amounts for their support. The members raised \$900. This was, indeed, an enjoyable night for those attending along with the splendid supper being given. Salad on terraces, carrot slices and pickles, potato chips, crackers, hot coffee or tea and dessert.

A very large crowd attended DEDICATION SERVICE. Carver Elementary School held its dedication service on Sunday, April 11. It was indeed a wonderful program. The Primary Rhythmic Band, Carver's Chorus Club and members of the faculty took part as well as the school principal, Mr. E. R. Tolbert, Dr. S. E. Dunne and Rev. L. J. Young were also on the program. The progress made in our schools have been wonderful. There was beautiful work in each classroom and a feeling that all worked together to make the program a success. It was indeed that.
