CHURCH HEAD RULES TEXAS CITY UNFAIR

By ALEXANDER BARNES
NEW YORK CITY — The segregated walls of the Christian church received another jolt here Tuesday when Bishop Henry Knox Sherrill, presiding prelate, Protestant Episcopal Church, ruled Houston, Texas out as the meeting place of the 1955 convention of the church.

Even though the bishop did not spell out segregation as the cause for his historic decision, but said that issue was the deciding factor.

Where the convention will be held instead has not been decided. The number of Negroes who will attend also is unknown, because the delegates will not be elected until spring.

"I have the greatest affection and respect for Bishop Quinn," he said. "I have had grave doubt as to the wisdom of taking this responsibility (deciding against Houston) here today as a part of Syracuse University's 10th commencement program."

For Dr. Jones, president of Bennett College in Greensboro, N. C., it marked yet another singular and distinguished honor that has come to him in recent years. The LL.D. degree awarded by Syracuse will be his third honorary degree. Others have been given by Wesleyan University and Howard University.

Dr. Jones, a dynamic personality who has become one of this country's outstanding educators, was awarded the honorary degree of Doctor of Laws here today as a part of Syracuse University's 10th commencement program.

DR. W. L. GREENE TO REPRESENT N. C. AT MEET

Dr. W. L. Greene, executive secretary of the North Carolina Teachers Association, was informed in a letter recently that he had been chosen to represent the state in a conference for leaders in the area of the Magazine Publishers Association and the National Education Association which will be held in the Brander Matthews Theater at Columbia University in New York City June 14-15.

The purposes of the conference are to promote understanding among representatives who attend, to survey and develop our common interests with the view to reinforcing and promoting these interests, and to protecting and furthering the traditions and practices of the mass information and education agencies.

The invitation also informed Dr. Greene that the conference was expected to be a high level one. It promises a rich experience and a significant service to those who find it possible to attend.

Traveling and living expenses for the local educator are to be paid by the Magazine Publishers Association. Members of the conference include fifty educators and about an equal number of representatives from various foundations, national organizations representing business, industry, agriculture, and the

Former Raleigh Citizen Narrowly Escapes Death

Mrs. Callister Bryant Bullock, daughter of Mr. and Mrs. M. L. Bryant and sister of Mrs. Peter H. Williams of Raleigh, was one of the few who miraculously escaped death in an automobile accident in Baltimore, Maryland, which took the lives of the two other riders on the accident car over the weekend.

Killed were Mrs. Bullock's husband, Daniel Bullock, 33, and his mother, Mrs. Pinkie T. Bullock, 55. The other survivors were Oscar Bullock, brother of the dead man. The Bullocks are natives of Rocky Mount but now make their home in Washington, D. C.

The four were enroute from their homes in Washington, D. C. to New York City to visit relatives and to transact business. They had reached the outskirts of Baltimore, when their car was involved in the wreck with a speeding Greyhound bus which completely demolished the 1951 DeSoto driven by Daniel Bullock.

The victims were rushed to University Hospital in Baltimore and his mother was pronounced dead upon arrival, and the other two were given emergency treatment. Mrs. Bullock was a barber in Washington.

The accident occurred early Sunday morning. Attorneys W. A. C. Hughes, Jr. and Juanita Mitchell, both of Baltimore, have been retained to file suits to reimburse the victims.
