They a letter to Sen John H. Kerr of are a type of post-gradute work Warrenton, said that admitting not given by A&T College. the Neerces to the courses was an effort to drive an "opening wedge" for racial integration.

"Once they get this crowd hanging around the college," the lefter purportedly set forth, "they expect to bring in the younger generation to the various courses at the college, then call for the admittance of every Negro who wishes to come to the Farm and Home Week which is held at the college every summer."

Action Explained

"Housing and meals would be provided off the campus and the participation of these agents on the State College

campus would be on a purely professional basis. "This recommendation was dis-cussed fully by the executive commiltee in the governor's office on Feb. 14 and those members present, with the exception of Mr. Clark, approved this proposal." A meeting of the full board is

scheduled for Feb. 28.
