ODDS & ENDS

knew he was doing wrong. For a judge to think that this was the time and the place for him to DR. M. L. KING for their protests against law deand the public in the South try other Negroes. to play down the lawlessness of white people and try to make it the law will steadily decrease.

NEGRO IN CHURCH": Maybe when 1957 goes out and the search for the headline of that year begns, this one, "Negro in Church" will take top money. The story under this prize winner had to do with a Negre attending the Sunday morning worship services at the First Baptist Church in Darlington, S. C. He did not do anything but that. When the services were over he calmly departed but he occasioned this headline, "Negro in Church." Wonder if the headline writer who thought up that masterpiece was in church

to be built near Raleigh have been gation is dying out." completed and accepted by both the county commissioners and the IRATE HUBBY hospital authority. Although the (CONTINUED FROM PAGE 1) plans have been accepted by the reportedly found the two together been turned for the erection of lies Noth.

They should remind themselves of the fact that this hospital is to be built with money they will have to pay their proportionate share of and also money provided by the Federal government. Because of these facts they will want to be sure that the accepted plans do not require that their sick be relegated to a back corner of the building and reached by a side or a rear entrance. Although this type of accommodation has been outmoded and declared unlawful, experience has proven that as far as we are concerned, it is not enough to stand back on that premises.

Sad experience has also proven are made about the accommodatold that we should have made a T-shirt, after he awoke from a those protests before the buildings sound sleep in a nearby bedroom. had been completed. If we are
