By ROBERT G. SHEPARD

PLEASE! Won't somebody, in fact everybody, who believes in the Raleigh City Council and urge them to annex Joe Louis Park to the city. We notice with joy that volving the placement act in the this eyesore is among several other council for annexation. Being co sidered and being annexed could mean the difference between action and inaction so far as Joe Louis Park is concerned. The more urging and prompting the council gets from you the citizens, the more likely this 'being considered' will develop into its being annexed. No brother, we do not own one Matter of fact, we do not even relations owning any property there. Our interest in this promotion is primarily secondary and totally humane. We fail to see how anyone who has visited that area could have any other feeling. So please do not give the conneil the opportunity for saying it would
