Body Found On Farm By White Youths

By STAFF WRITER
The partially clad body of John Oser, 77, missing from his home since Friday, October 25, was found early Wednesday morning by two young white boys on the farm of Secretary of State Thad Egan.

O. B. Weatherspoon, who investigated the discovery along with fellow deputy sheriff C. C. Doane, said there appeared to be no evidence of foul play in the death of the elderly man who made his home at 214 Camden Street.

The body, when found, was clad in a white shirt, dark coat and underwear. Weatherspoon said no trace of any other clothing was found when he disappeared. Mr. Eblcock was wearing, in addition to the above mentioned articles of clothing, black shoes and gray hat.

He had been in ill health for over a year.

Unice Martin and Jimmy Hillburn, who reside in the area of Highway 64, East, reported the discovery of the body to the sheriff's department at 9 a.m. Wednesday.

Just when Mr. Eblcock died had not been determined at press time. The only marks were

Name Jury In Alabama Mutilation

BIRMINGHAM, Ala. — An all-white jury was selected this week to try six white men for the mutilation of a feeble-minded Negro man they chose at random as the victim of a sadistic Ku Klux Klan ritual.

The defendants, all identified with Klan activity in the Birmingham area, face two to 20 years in prison on conviction of either of two charges, mayhem or assault with intent to murder.

They are accused of wavering their alleged victim, Judge Aaron, 35, on a Birmingham sidewalk, and mutilating him with a razor blade in a dirt-floor Klan headquarters to prove their worthiness for Klan promotions.

The defendants are B. A. Floyd, Grover A. McCullough, 41, Jesse W. Mabry, 34, Joe Pritchett, 31, William J. Miller, 28, and J. N. Griffin, 38, all of the Birmingham area. Pritchett is being tried first.

This was sponsored by the Lions Club, consisted of selling \$1.00 chances on a "fabulous" new home erected at the state fairgrounds during the annual state fair. There is every reason to show that those in charge of running down the winner, the person submitting the nearest answer of the cost of this house, knew that that person was a Negro. Greenville Girl, 12, Victim Of Rape Attempt By Youth, 17

(Special To Carolinian)
GREENVILLE—This Pitt County capital was shocked last week when it was announced that 12-year-old Eva Gray Clark of 400 First Street was the victim of an alleged criminal assault attempt by 17-year-old Robert Moore, Jr., of 1108 Douglas Avenue as the child traversed a pathway by a cemetery on her way home from school.

Griffin Takes Vow - Says Georgia Guard Will Never Fight Jim Crow

ATLANTA, Ga. — Gov. Marvin Griffin vowed Monday that the Georgia National Guard never will be used to enforce school integration in his state.

To prevent this, Griffin warned that he is prepared to oppose any attempt to federalize the Georgia guard by discharging it and forming a state militia in its place.

The governor, a leading spokesman of southern segregationists, declared in an article in the new issue of LOOK Magazine.

"If anyone started to federalize the guard, I could just discharge it, then form a state militia under the second amendment of the Constitution, the right to bear arms.

"No Georgia boy can be made to turn his bayonet against a fellow Georgian. These

Fourth Week Of Church Bonus Money Program Now Underway

Church Bonus Money participants are working eagerly to bring home the banner for their respective churches as the fourth week of the new Church Bonus Money Program begins.

Officially, the new week begins Thursday of this week and ends at midnight, Wednesday, November 13.

All indications point to the fact that churches are progressing toward the end of the current month.

New Bonus Money Rules

All purchase slips or receipts presented to your church must come from stores advertising in the CAROLINIAN.

Each week carries a date in the Bonus Money period. Purchases eligible for the bonus must be made during the week the "red" appears.

No purchase slip representing a business should be submitted. All receipts must come from individual purchases.

All purchases in Raleigh and Wake County are eligible.

All purchase slips must bear the name of the store from which the purchase was made.

All purchase slips should be submitted in the name of the church, and should be in the office of the CAROLINIAN the Monday following close of Bonus period.

In order that smaller churches may have an equal opportunity to share in the Bonus Money, the following regulation is expedient. No church group will be awarded 1st Bonus Money consecutively, i.e. should a church receive 1st Bonus Money after the first period it would have to wait until the third Bonus period to be presented 1st award again. However, this does not mean that second and third awards cannot be sought consecutively. Consequently every church group has the opportunity to secure an award every period.

No purchase of over \$300 from any one merchant during a week can be counted.

There is a ceiling of \$35 per person a week for grocery purchases.

In the event of the same amount of purchases by more than one person, the award will be divided.

Weekly purchase totals should be shown on each packet and total placed on the outside of the envelope carrying the period's entry along with name and address.

Bonus money earners will be announced in the issue following the closing of each period.

All prizes remain the property of The CAROLINIAN.

All talking is final when the names of the Bonus Money winners are announced in the CAROLINIAN and no responsibility is accepted by this newspaper beyond that point.

No receipts from banks will be considered, except payment on mortgages.
