### Church Bonus Money Rules

All purchase slips or receipts presented to your church must come from stores advertising in the CAROLINIAN.

Each week carries a date in the Bonus Money period. Purchases eligible must come from the store during the week the "ad" appears.

No purchase slips representing a business should be submitted. All receipts must come from individual purchases.

All churches in Raleigh and Wake County are eligible. All purchase slips must bear the name of the store from which our church was made.

All purchase slips should be submitted in the name of the church and should be in the office of the CAROLINIAN the Monday following close of Bonus period.

In order that smaller churches may have an equal opportunity to share in the Bonus Money the following regulation is expedient: No church of less than 200 members will be awarded 1st Bonus Money consecutively, i.e. should a church of 200 or more members receive 1st Bonus Money after the first week, it would have to wait until the third Bonus period to be presented in 2nd Bonus Money, except where a church has 200 or less members, then it could win 1st Bonus award consecutively. However, this does not mean that second or third awards cannot be sought consecutively. Consequently every church has the opportunity to secure an award every period.

No purchase of over \$500 from any one merchant during a week can be counted. There is a ceiling of \$25 per person a week for grocery purchases. In the event of the same amount of purchases by more than one entry, the award will be divided.

Weekly purchase totals should be shown on each packet and total placed on the outside of the envelope carrying the period's entry along with name and address.

Church money earners will be announced in the issue following the close of each period. All entries remain the property of The CAROLINIAN.

All tallying is final unless the names of the Bonus Money earners are announced in The CAROLINIAN, and no responsibility is accepted by this newspaper beyond that point.

No receipts from banks will be considered, except payment on mortgages.
