STATE N BRIEF

HAD "PREMONITION" OF DEATH DUNN - The father of a 28-year-old man, who drowned Monday morning because he misjudged the depth of a pond. claimed, as his son's body was brought to shore, that he had a premonition of disaster. Around 2 a.m. Monday, claimed Calvin Watson's father, he thought he heard his son's voice calling him. He went outside his house and looked around, but found no one.

When he returned to his bed, the elder Watson asserted he told his wife that "Something bad is going to happen." Monday morning when he arrived at his son's home he found that the son had drowned in McWhieter Pond and the sheriff and others were dragging for his body.
