

Shaw Bears Whip Va. State Trojans, 19-14, At Raleigh

DRIVING THROUGH THE MIDDLE — N. Y. Giant's number 33, Mel Triplett, drives through the middle of the Philadelphia Eagles' line, dragging Eagles No. 81, Eddie Bell, left, and 78, Marion Campbell, for a first period five-yard gain. Eagle No. 72, Jess Richardson, and Giant No. 35, Ray Wietecha, watch the action. (UPI TELEPHOTO)

ALMOST! Eugene Cambridge, Aggie halfback, slips out of bounds (inches short of a touchdown) as the Aggies defeated S. C. State College 16-14 Saturday at Greensboro. The Aggies scored two plays later. State tacklers are James Payton and Henry Nelson.

Bears Fail To Score After Half

The Shaw University Bears struck in the first half for three swift touchdowns to turn back the Virginia State College Trojans 19-14 here Saturday afternoon.

Shaw, winning the toss, received and after a series of five first downs, scored on a nine-yard pass play from quarterback Baker to Hammonds. The conversion was made by Calvin McDowell. The second touchdown was scored on a 40-yard pass play from Baker to end Glen Knight who made a sensational catch in the end zone to make the score 19-0 at halftime.

The Trojans scored twice in the third quarter. Ernest Turner, 243 lb. fullback, scored from about 2 yards out to end a 35-yard drive to make the score 19-6. James Moody scored from one foot out and scored the extra point as he raced around right end to make the score 19-14.

The Trojans threatened constant in the final quarter, but Shaw rose to the occasion each time with a brilliant defense led by center Edward Turner, guards Albert McGinnis and James Edgton, tackles Herman Hinton and Lou Hagler, and ends Glen Knight and Charles McKinsey holding firmly.

Outstanding in the backfield for the winners were quarterback Frank Baker and halfback Eugene Hammonds. Outstanding for the losers was a halfback James Moody and fullback Ernest Turner.

This Saturday, the three victorious Bears will take on the Elizabeth State Pirates at 2:00 p. m. in Chavis Park.

CAMPY AT SERIES — Roy Campanella, former Dodger catcher, who still is partially paralyzed, sits in a wheelchair in the stands behind home plate at Yankee Stadium in New York City last week and watches the third World Series baseball game. His wife, and son, Tony, are seen with him. Campy, injured in an automobile accident last January, was carried to his seat during the second inning and all action ceased as the crowd gave him a tremendous round of applause. (UPI PHOTO)

A & T Aggies Edge Stubborn S. C. State Bulldogs, 16-14

GREENSBORO — The A & T College Aggies scored twice in the second period and hung on for the rest of the game to defeat a stubborn bunch of South Carolina State Bulldogs from down in Orangeburg, 16-14, in a football game played here last Saturday at Memorial Stadium. A crowd of a few more than 2,000 saw the interstate attraction.

Aggies efficient in gaining the extra points by running, coupled with a rugged defense, marked the difference in the battle. Their line which averages about 230 pounds, stopped cold two scoring threats by the Bulldogs in the first period, once on the eight and another at the 13. The line also figured heavily in the victory as Lorenzo Stanford, 245 pound tackle, rumbled across the goal line with a 40 yard pass interception. The Greensboro club, too, had its problems as two of its scoring threats sputtered on the State 13 and 30 yard lines.

Howard Smith, Aggie quarterback, engineered the victory on the ground and stuck to it practically all of the way. In doing so, two promising freshman backs, Eugene Cambridge and Joseph Taylor, snarled to account for more than half of the yardage the Aggies gained.

The fine passing arm of Harry Nelson, State quarterback, kept his ball club in the game throughout and was worrisome to the Aggies up to the final gun.

The Aggies scored first early in the second period as Ed Nesbitt, fullback, bulled over from the one yard line. The scoring drive began on the Bulldogs 54 yard line as the Aggies got the advantage of a short punt. Cambridge, Taylor and Nesbitt were the big guns in running the ball down to the one yard stripe. Taylor smashed over from the one yard line, following a penalty to give the Aggies an 8-0 lead.

Before cheering Aggie fans had taken their seats, the South Carolinians had scored. Nelson, easily the star for the visitors, took the kickoff, started up the middle, died off to the sidelines and with blazing speed touched the field in a 24 yard touchdown punt. A pass play for the extra point failed.

The Aggies scored their second TD in the first minute of the second period as big Stanford grabbed a pass thrown by Nelson out in the flat and found defeated only running room between him and the goal. He ran the forty yards untouched. Charles DeLoe ran off tackle for the extra point to put the Aggies out front 16-6 and the gun fired to end the half.

The Bulldogs ended the scoring fourth period as Jimmy Green smashed through from the eight yard line. The play climaxed a 56 yard drive which featured the passing of Nelson to Robert Poole Alexander Gardner, both halfbacks. Nelson passed to Clarence Jones for the extra point to put the final score at 16-14.

Morehouse-Tuskegee Grid Annual Oct. 24

COLUMBUS, Ga. (ANP) — Plans for the Morehouse College-Tuskegee annual football game Friday, Oct. 24, were completed recently by athletic officials from the two colleges. The game, a night skirmish, will be played in Memorial stadium.

Tickets for the contest, expected to be a sellout, went on sale immediately following the meeting.

One highlight of the game will be a street parade through downtown Columbus. Marching bands from Morehouse and Tuskegee, as well as bands from local high schools, will participate in the parade and perform during halftime.

Attending the meeting were Dr. Frank L. Forbes, J. A. Lockett, and Wendell Whalum of Morehouse college; and Dr. Edward L. Jackson, Ross C. Owen, L. W. Davis, Melville C. Bryant, and R. S. Darnaby of Tuskegee.

Ella, Oscar Peterson Trio Have Indianapolis Jumpin'

INDIANAPOLIS — (ANP) — Snapping her fingers and blinking at the limelight, Ella Fitzgerald captured the crowd at the Murat Temple last week where she was featured along with Oscar Peterson and swing her way through oldies and his trio in concert. She sang such as "Moon Indigo," "Always,"

"Little Girl Blues," "What Is This Thing Called Love?" and "The Lady Is A Tramp."

She then switched to "pop" tunes and delighted fans when she swung from "Volare" right into "Tiger." She had the crowd jumpin' with "How High the Moon" and "Stompin' At The Savoy."

This Was Banner Baseball Year For Many Tan Stars

CHICAGO (ANP) — This was a wonderful baseball season for U.S. Ernie Banks, Willie Mays, Vic Power, Hank Aaron, Sam Jones, Orlando Cepeda and Elston Howard were standouts.

Banks, the Chicago Cubs' power-hitting shortstop, reached new heights in his major league career. He slammed 47 home runs and drove in 139 runs in lead both leagues in these vital departments. Mays, in a down-to-the-wire battle, lost the National league batting title by three points. The San Francisco Giants' outfielder finished with a .347 mark, his best in the majors. Willie was the NL leader in runs (121) and the major league leader in stolen bases (31).

Powers, traded by Kansas City to Cleveland in June, proved one of the most valuable players for the Indians. He batted .312, fifth in the American league, was third in runs (96) and in hits (184). But his most remarkable feat was that he stole home twice in a single game to beat the Detroit Tigers in extra innings. It marked the first time in more than 40 years that a player had stolen home twice in one game. Power played all the infield positions and left field for Cleveland.

After the slowest start of his major league career, Hank Aaron, former league leader, won the MVP award in the season and was in the NL's batting race until the final week of the season. He ended with a .326 mark, fourth best.

JONES STRIKEOUT KING — Jones became the first National league hurler in almost 20 years to hang up 200 more strikeouts in a season. He ended the season with 225 and had a won-lost record of 14 and 13. However, the curveballer of the St. Louis Cardinals, was the game's handiwork hurler, suffering close defeats and the lack of batting support from his teammates.

On three occasions Jones went six innings or better before yielding a hit.

CEPEDA, ROOKIE OF THE YEAR CANDIDATE — Orlando Cepeda, first baseman, is

the outstanding NL candidate for the rookie-of-the-year honors. A surprise in training camp, the Puerto Rican proved he had major league ability from the start of the season. His 38 doubles were tops (tie) in the majors. He also was among the leading NL hitters with an average around .310, 168 hits and 95 RBIs. His RBI total tied his more illustrious teammate, Mays.

Howard got his chance to play regularly when Yogi Berra was hurt in May. Elston proved for two months to be one of the hottest hitters in baseball. He ended the season with a mark around .315 and established as the Yankees' regular receiver.

SOME SETBACKS — There were some disappointing performances. On the Cincinnati Reds, for example, Frank Robinson had a bad season, hitting only about .270, but he smashed 31 home runs. Yogi Berra, the heralded rookie of the spring training, failed in his bid to stick with the Redlegs but showed improvement as a hitter when he was recalled from Seattle at the end of the Pacific Coast League season.

Don Newcombe, traded by the Los Angeles Dodgers to the Redlegs, showed some of his old effectiveness during the late stage of the season.

One of the outstanding demonstrations of power hitting was put on by Wes Covington, the 1957 World Series defensive star. Hampered by a bum knee most of the season, the Milwaukee outfielder banged out 24 home runs and drove in 75 RBIs in 56 games (391 trips to the plate).

Charlie Neal, batting around .350 set a new home run record for a Dodger second baseman with 27, erasing Jackie Robinson's old mark of 19.

Some outstanding work was done by Curt Flood, rookie center fielder for the Cardinals. Flood was a hitting sensation in May and June, but major league pitching apparently caught up with him in July and August. He slumped to .261.

Largest Indoor Set Ever Built Houses "Porgy & Bess" Scene

HOLLYWOOD — (ANP) — The largest indoor set ever built will be occupied for the next ten weeks by the "Porgy and Bess" troupe at the Samuel Goldwyn Studios. The Cathie Row and Charleston wharf set covers more than 26,000 square feet and completely fills Stage 5. Cathie Row itself is 208 feet square and the adjoining street and wharf extend for an additional 140 feet. The main buildings are 31 feet high.

In order to accommodate the

Told-AO camera on its crane and boom, a section has been cut out of the wall of Stage 5, and an annex has been built out into the adjoining street to give more mobility. At the opposite end of the set, the crane frequently must back through the open door to take in the entire panorama.

When the set was completely rebuilt after the July 2 fire, construction from that time until the end of September required the as-

sistants of 40 carpenters, 10 laborers, 8 plasterers, 10 grips, 6 property men, 10 special effects men and 10 painters.

With location work completed last week at Stockton Director Otto Preminger and his cast headed by Sidney Poitier, Dorothy Dandridge, Sammy Davis, Jr., and Paul Robeson will be working every day until the middle of December on this set, which combines the exteriors with practical interiors of ten separate rooms.

Trojans' Moody New CIAA Rushing Leader; Howard Bisons Tops In Team Offense And Defense Depts.

DURHAM — George Moody of Virginia State College with 120 yards average rushing (21 plays) in two games is this week's CIAA rushing leader.

Moody replaces last week's leader, Leonard Howell of Bluefield, who averaged 244 yards in 61 plays.

Joe Biers of Elizabeth City continues scoring leader, advancing his total points this week to 26. Teammate Jerry Harper is runner-up with 20. Biers is the only repeat leader this week. He scored four TD's and registered one conversion for a two-pointer.

Howard University's Bisons are tops in team offense averaging 427 yards in two games while yielding only 94 yards per contest to take total defense honors also.

Other individual standouts in addition to the Trojans' Moody, who rushed 21 times for a total of 258 yards, are Passing: Jack Dennis of Morgan, completing 53 of 131; Pass receiving: Bob Carr of Elizabeth City with 6 catches for 83 yards, one TD, in three games.

Total offense leader is Howard Williams of Howard University with 246 yards in two games.

MADE SENSATIONAL CATCH — Glen Knight, an end for the Shaw University Bears of Raleigh, and a native of Camden, New Jersey, demonstrates his sensational catch in the game last Saturday against the Trojans of Virginia State College. Knight, a sophomore, is expected to see action again in the game this Saturday afternoon versus the Pirates of Elizabeth City Teachers College.

Homecoming: Georgetown Hi Tops Trenton By 2-0 Score

JACKSONVILLE, N. C. — The Georgetown Panthers capitalized on a strong defense that kept Trenton in their territory practically all evening and beat the Trenton outfit 2-0 in a gala homecoming celebration Friday. The Panthers were stimulated over the fact that they had founced triple "A" Epes High of Greenville 14-6, the preceding Friday evening.

The punting of Bobby Pollock has been a prime factor in the Panther offense all season, and line stalwarts such as "Big" Toney Washington, "Dai" Chadwick, Johnny Shivers, Rayford Rodges, Teddy Spicer and Bobby Mumford are big cogs in the Panther machine. The team started slow this season, but is now moving into gear and is gaining championship confidence that carried the Panthers to the state title a fortnight ago.

School moral is at a high pitch as the Panthers prime their factories for the Beaufort homecoming ball that is to be played in the seacoast town October 17th. The band, under the direction of David Weaver, is an inspiring incentive to the squad when moving out in front of the opposition or lagging on the merits of past performances. The hard back-breaking plunges of halfback Allen White and the "sift and slant" drives of "Wiggle Hips" Henderson are factors that may land them a berth on the 1958 all-state conference team.

Howard Smith, Aggie quarterback, engineered the victory on the ground and stuck to it practically all of the way. In doing so, two promising freshman backs, Eugene Cambridge and Joseph Taylor, snarled to account for more than half of the yardage the Aggies gained.

The fine passing arm of Harry Nelson, State quarterback, kept his ball club in the game throughout and was worrisome to the Aggies up to the final gun.

Morehead Sports A 2-1 Record

MOREHEAD CITY — W. S. King High School of Morehead City, in its first year of football, has compiled a 2-1 record in three games played. Principal McLendon selected J. R. Thompson to head up the football situation and appointed Randolph Poole, an EIAC standout, as assistant.

The three-year-old accredited senior high school, was added in 1957 and accredited in the 1937-1956 school season.

The team is spearheaded by right-halfback Henry Dudley Record; New Bern 12; Morehead 6; Windsor 8; Morehead 12; Georgetown 0; Morehead 22. New Bern will return for homecoming Oct. 18.

Label Cepeda Future Great

SAN FRANCISCO, Calif. — (ANP) — Orlando Cepeda, the National League Rookie of the Year, has been dubbed a future great by critics who watched him perform during the 1958 season, just concluded.

These same critics say the San Francisco Giants first baseman is a cinch to win future league batting championships and a flock of other honors, including the Most Valuable Player Award. And this despite the presence on the Giants team and in the same league, of the sensational Willie Mays. In fact some even suggest that Cepeda will eventually win a niche in baseball's Hall of Fame.

To support their views, Cepeda's supporter points to his record and background. The handsome Cepeda, a native of San Pedro, Puerto Rico, hit .312, posted 25 homers, and drove in 96 runs in 151 games in the later department, in his first year in the big show. In fact, Cepeda was the only Giant to challenge Mays for the National League batting title. He was never under .300 at any time during the season.

Cepeda also brought to the majors one of the most enviable records any player can possess. He organized ball since June, 1956, he batted .303 at Koko in the Class D League, .355 at St. Cloud, and .300 at Minneapolis, a Triple-A club. He was also a red hot player at Phoenix, the Giants farm team.

Cepeda, 21, came by his talents naturally. His father, Pedro, was the greatest player on the island in the 1920's and 30's.
