NO AUTOPSY PLANNED HERE
RALEIGH — Wake County Coroner Marshall W. Bennett said this week that no autopsy will be performed on the body of Mrs. Mary Elizabeth Fowle, 32, found dead here at 2:40 a. m. Monday. However, Bennett said that in his opinion, "she died from a heart attack." The coroner added that when he arrived on the scene "there wasn't a scratch on" Mrs. Fowle's body. The coroner was summoned to the residence of Mrs. Fowle's sister in the 1100 block of S. East Street. Police are investigating reported threats on Mrs. Fowle's life by her estranged husband, Hayward Fowle. The woman's family is alleged to have strongly opposed an autopsy when the coroner conferred with them.

apparently was no tie-up, police said.

Mecklenburg County police said the youth, arrested at the scene, admitted setting fire to a wooden bookcase in a room inside a new addition to the 12-classroom Lincoln Heights (Negro) Elementary School here.

Damage from the fire was confined to the one room, but three others were blackened by smoke. Damage was estimated at several hundred dollars.

Charlotte has been struck by several fires of apparently deliberate origin recently, including a blaze in the auditorium of one school and the destruction of another by fire. Arson was also suspected in at least two other fires in the Charlotte area Sunday.

Both were arrested Sunday morning at their 709 S. East Street residence by detectives.

One detective said a marriage certificate showed the woman and man were married in this city November 18.

The case was initiated, the officer reported, by a complaint from Mrs. Sadie Donaldson, 11 Edgecombe Terrace, who reportedly saw a news item under "Wedding Bells" on page 3 of last week's CAROLINIAN announcing Donaldson's marriage to his new bride. Married several years, Donald-

FLEMMING RAPS TWO DIXIE STATES

not appear that the segregated private schools set up in Little Rock to replace the four closed high schools would qualify for federal loans under an aid to education bill passed by the last Congress.

Flemming, in one of the Administration's most forceful statements on the school dilemma, branded the closings "indefensible." He said the marks they left on children and communities were cause for "grave concern."

He predicted that citizens would demand that their classrooms be reopened to both white and Negro pupils as the ill effects of the closed schools mounted.

In his list of the consequences of the closings, Flemming said there was little doubt that "the lack of regular, constructive activities in school can contribute to delinquency."

In addition, he said, students would find serious obstacles to getting into college. Some youngsters never will go back to school, he said, while others will have difficulty making up missed work.

He said children closed out of their schools are missing the benefits of good literature, music and other activities. The closings also are impairing the development of citizenship, he said.

Flemming prepared the six-page statement in reply to a news conference question two weeks ago asking him to evaluate the school closings.

NEGROES MOST NATURAL CAGE STARS: COACH

He noted that many border and upper-south colleges and universities now have Negro students and are beginning to have Negro athletes.

Sloan said pressure was beginning to be brought on West Virginia University to use Negro basketball players. West Virginia is a member of the southern conference, as is the Citadel.

He said North Carolina, North Carolina State, Virginia and Maryland of the Atlantic Coast Conference now have Negro students and at least one of them would have a Negro tennis player, swimmer or track man next season.

"I can't see how we can keep from playing them," Sloan said.

Church Bonus Money Rules

All purchase slips or receipts presented to your church must come from stores advertising in the CAROLINIAN.

Each week carries a date in the Bonus Money card. Purchases eligible must come from the store during the week the "ad" appears.

No purchase slips representing a business should be submitted. All receipts must come from individual purchases.

All churches in Raleigh and Wake County are eligible.

All purchase slips must bear the name of the store from which the purchase was made.

All purchase slips should be submitted in the name of the church; and should be in the office of the CAROLINIAN the Monday following close of Bonus period.

In order that smaller churches may have an equal opportunity to share in the Bonus Money the following regulation is expedient: No church of over 200 members will be awarded 1st Bonus Money consecutively, i. e. should a church of 200 or more members receive 1st Bonus Money after the first period, it would have to wait until the third Bonus period to be presented 1st award again, except where a church has 200 or less members, then it could win top Bonus awards consecutively. However, this does not mean that second and third awards cannot be sought consecutively. Consequently every church group has the opportunity to receive an award every period.

No purchase of over \$500 from any one merchant during a week can be counted.

There is a ceiling of \$25 per person a week for grocery purchases. In the event of the same amount of purchases by more than one entry, the award will be divided.

Weekly purchase totals should be shown on each packet and total placed on the outside of the envelope carrying the period's entry along with name and address.

Bonus money earned will be announced in the issue following the closing of each period.

All entries remain the property of The CAROLINIAN.

All calling in that when the names of the Bonus Money earners are announced in the CAROLINIAN, and no responsibility is accepted by this newspaper, except that point.

No receipts from banks will be considered except payment on mortgages.
