**HOSPITAL PICKETS** — Pickets march in front of Manhattan re, Ear and Throat hospital in New York last week, bearing signs dding for union recognition. A spokesman for the Drug and Hospital imployees Union Local 1199 said he expected that 130 of some 150 im-medical union workers at the hospital would join the picket line fore the day was out. They are nurses aides, orderlies, porters, aids, laundry and kitchen workers, and maintenance personnel, he id. (UPI PHOTO).

WEATHER

The five day weather forecast for the Raleigh area beginning Thurs-day, June 28, and continuing through Monday, July 2, is as fol-lows:

through monary, sully x, is a tor-lows: Temperatures will average slight-ity below normal Thursday through Monday with somewhat below normal temperatures through Fri-day and rising temperatures over the weekend. The normal high and low temperatures 80 - 68. Bainfall may average as much as an inch for period with scattered showers, mostly afternoon and evening or thunder showers occuring about every day.

Squad arrived at the creek but were too late to help the

boy. The boy's father, Willie Brown, said none of the boys knew how to swim. Mrs., Brown, the youth's mother, said the older brothers, 12 and 17, held him up as he en-

tered the water, but when they let loose, he panicked.

Possibly little if anything is to be gained through a recital of the facts leading up to the drastic action of the trustees. However, viewed in retrospect and based on reports circulated from the beginning of the Strassner administration two victims emerge from this sad episode. These two victims are Shaw University and William R. Strass-

We doubt if any official record will bear this out, but enough has been said to lead suport to the rumors that Dr. Strassner was named to the presidency of Shaw Uni-versity in order that certain other individuals might control the school through him.

It was our belief, it is still our belief that William Strassner is besically a good man. We think he has done the best he could at Shaw. But, on the other hand, we believe that those responsible Strassner's appointment knew that he did not have the administrative ability needed for the position to which he was named. We also lieve that those responsible for the Strassner appointment were sware tion on his way home to his wife of his lack of warmth, affabi
