

Judge Marjorie Lawson Advises NC College Students To Prepare

DURHAM—A District of Columbia juvenile court judge Monday told North Carolina College students that they must be prepared to be flexible, adventurous, and well-trained if they are to succeed in a growing, changing, and complex young world.

Associate Judge Marjorie McKenzie Lawson of the District of Columbia Juvenile Court, addressing the NCC Forum assembly, urged preparation "to the teeth" as one step toward achieving success in the years ahead.

Judge Lawson, who was appointed to the bench by the late President John F. Kennedy in 1962, was the first Negro woman in history to be appointed by the President and approved by the Senate to a satractory appointment.

Using a text from a sermon and a prayer, both from James Baldwin's play "Blues for Mr. Charlie," and editorial in the January, 1964, issue of Show magazine, Judge Lawson expressed concern for the children of today—their general well-being, their livelihood, their future.

The nation is growing younger, she said, pointing out that in 1965 more than half of all Americans will be under 25 years of age.

In addition to an American population explosion, she continued, the country is becoming more mobile. "Five years from now, only one half of the people in the country will live in the same houses they live in today," she said, commenting on the American move westward and a 75-mile shift in the population center westward since 1912.

Assistant Pastor Of St. Monica's

Pupils, Parents Bid Sad, But Fond Farewell To Father Edward Ferrick

The children of Saint Monica's Catholic School and their parents gathered Sunday, January 19, to bid a sad, but fond farewell to their beloved assistant pastor, Rev. Edward J. Ferrick, O.P.

The children first presented a short entertainment. Miss Sarah Sansom, a student in the eighth grade and a daughter of Mr. and Mrs. J. J. Sansom, Jr. of 1836 Rock Quarry Road, gave the introduction which dedicated the program to Father Ferrick as a final gesture for his seven and a half years of priestly work at Saint Monica's.

To brighten this sad occasion, the first and second grades struck a happy note with their songs and dances done to the novelty number "I'm a Little Teapot" and "On the Bridge of Avignon," which was sung in both English and French.

The third and fourth grades then paid tribute to Father's great love of Our Blessed Mother in Marjorie Hunt's beautiful choral speech selection "The Hail Mary" and the plaintive melody "Lovely Lady Dressed in Blue."

The Glee Club, comprised of the fifth, sixth, seventh, and eighth grades, and always a favorite of Father Ferrick's, beautifully rendered "Veni Creator," "Let There Be Peace on Earth," "Goober Peas," and their school song "Bless This School." These selections were complemented by one specifically dedicated to Father Ferrick as shepherd of souls, "God Is My Shepherd."

With the entertainment finished, George Solomon, son of Mr. and Mrs. A. W. Solomon of 1604 Miller Street, and a student in the eighth grade, then expressed for all the children their gratitude to Father Ferrick for his work for them and promised their good lives as a perpetual monument of gratitude.

To complete the program, Miss Lillian Sturdvant, president of the Altar-Rosary Society, presented Father Ferrick with a farewell gift check of a token of appreciation from the Students at Saint Monica's, the Altar Boys, the Home-School Association, the Altar-Rosary Society, and the Holy Name Society.

Father Ferrick then expressed his own appreciation to all for their gifts and his thankfulness for his happy years at Saint Monica's.

The program was closed by the pastor of Saint Monica's Church, Rev. Edward V. Clancy, O.P., who

invited the children and their parents to refreshments and an informal reception sponsored by the Altar-Rosary Society in Saint Monica's Hall, so that all might have an opportunity to personally say good-bye to their good friend and revered assistant pastor, Edward J. Ferrick, O.P.
