

Annual Youth Day March 31:

Ligon Student Replace Principal And Teachers

BY LARRY STROUD Annual Youth Day will be held at the J. W. Ligon Junior-Senior High School on Tuesday, March 31, with senior students taking over as "principal and teachers for one day."

The purpose of Youth Day is to provide the student with the knowledge of what a teacher's day is like. It also affords students a chance to get acquainted with the opportunities offered by this profession.

Other benefits to be gained by being "principal and teacher for a day" are: to increase their effectiveness in working with people; and to give the student the chance to discover his weakness and strength in certain subjects and in his relationship with other people.

BY MRS. GOLDIE HARDY PRINCETON — The pastor, the Rev. W. C. Winston, and junior choir of Mt. Zion Church of Christ rendered service at Bethlehem Holiness Church of God in Middlesex Sunday evening. Rev. Winston's subject was "Have you got the gift of God?" The message was well done and enjoyed by all.

The Missionary Club of St. Stephen Disciple Church held its meeting Sunday morning. The president, Mrs. Annie Bagley, presided. The secretary is Mrs. Amanda Watson. The missionaries are doing an excellent job.

Elder Howard Hill of Wilson visited Mrs. Nancy Howell, along with Mr. and Mrs. Ralph Stevens of Princeton and Mr. Hardie Howell of Goldsboro Sunday evening.

Mr. and Mrs. Leon C. Massey and children, Sandra, Iris, Bryan and Karen, accompanied by Mr. James Richardson motored to Spring Lake Saturday to visit Staff Sgt. Garfield Richardson and family. P. A. C. TAKES PROPER STEP

(CONTINUED FROM PAGE 1) attention to a particular group or area. This is human. Consequently, for us to be recognized in all public matters, there must be a Negro present. Even if he says little or nothing his presence will call attention to his segment of the population and area from whence he comes.

To be sure the above is put into motion, and also to be sure that there is no doubt about the people being represented, the Political Action Committee of the Raleigh Citizens Association is calling this most urgent meeting of elected officers holders of the various organizations and should be heard. Too long have we "laid back" and criticized the "few" whom we claim to run the Citizens Association. The invitation has been extended. This is democratic. Presidents of every organization should be present, and express themselves. They should come equipped to make recommendations about candidates they and their organizations prefer. There should be an atmosphere of complete freedom of speech.

Through this procedure the people will be heard through their representatives who head their organizations.

Unless some steps of this nature are made to select candidates, it could be that we would have no candidates offering at all. Should this happen the impact on registration efforts will be heavy. The large number of those who recently registered to swell the numbers of Negroes on the books want of their own to vote. They believe that is the reason for registering. They want to elect to office a Negro candidate.

The responsibility of giving the general public a likely winner and one desired by this large segment is now upon the shoulders of the many persons who head the organizations of the city and county. We

The first try for Rev. King's life occurred in January 1956, and while much damage was done to his home, there were no injuries. At the time of the incident, Rev. King was out of the city. His wife, the former Miss Corretta Scott, was in another part of the house, which escaped damage.

The King residence was bombed with a shotgun blast the following December, and again no human casualties were suffered. Then in January 1958, another bombing try fizzled out when the bomb failed to go off, because of defective fuses.

The closest brush with death that Rev. King has had was in September 20, 1958 when Rev. King was stabbed in the chest by Mrs. Izola Wares Curry, 42-year-old Negro woman, who "resented" Rev. King's activities for integration. The event took place in New York City, while Rev. King was at a Harlem department store, autographing copies of his book, "Stride Toward Freedom," an account of his many activities in behalf of Negro progress and freedom.

WOMAN LIVES WITH PISTOL SHOT IN HEAD

Her husband, meanwhile, went to a police station to turn himself in, saying: "I came over to get locked up. I just shot my wife." He was arrested but released later under \$2,500 bond for trial in Justice of the Peace Court on March 25.

An early report had stated that Mrs. Simmons had died, but the rumor was disproved by the hospital.

SEVEN CLERICS TAKE PART IN EASTER SERVICES

(CONTINUED FROM PAGE 1) A choir of 75 voices will consist of choir members from the seven participating churches. This is the first time in recent years that such a number of churches have worked cooperatively throughout Lent and Easter.

Other pastors participating are the Revs. C. W. Ward, T. C. Hamans, Rev. T. H. Harris, L. S. Penn, D. N. Howard and O. W. Burwick. The public is invited.

The Board is also charged with pursuing a policy, custom practice and usage of operating the public school system in the county on a basis that discriminates against the plaintiffs and other Negroes similarly situated, because of race and color.

The complaint pointed out seven instances in which the new Board was guilty of discrimination on the above-mentioned charges.

The complaint continued, "Pursuant to the requirements of the N. C. Pupil Assignment Act, two
