## FACTS

Raleigh's newest and most Exclusive Restaurant, owned and operated by Mr. and Mrs. "Vic" Peebles. The Peebles live at 119 Lincoln Court. Mrs. Peebles is the former Inez Holden of Wake County. "Vic" is also a native of Wake County. They have one daughter, Janet, who is away studying Veterinary Medicine at Tuskegee Institute, Tuskegee, Alabama.

Mr. and Mrs. Peebles now operate the Peebles Grill and Hotel at the Corner of E. Martin and S. Blount Streets. This business has been in operation for several years. Due to vast change in our growing economy, Mr. and Mrs. Peebles, for some time have been contemplating a second place of business: a business that is closer to the business area and where people from all walks of life can be served. When they had a chance to purchase this beautiful Restaurant, known to many as the Charcoal Flame, they studied all possibilities of the place and its location and decided to give it a try, because our people really do need a first-class, up-to-date, exclusive eating place.

"Vic" has had over 30 years experience in handling fine foods. He has been working in the food handling business from Atlantic City to the Florida Coast. He is well qualified to serve the public.

Mr. Peebles started the Peebles' Charcoal Flame Restaurant with the chef cook being the only help with experience. He is not interested in hiring experienced waitresses because he prefers to carry them through a training program that will fit the Peebles' Charcoal Flame Restaurant atmosphere.

The Peebles have more than 27 employees and are believed to have one of the largest number of Negro employees in the City of Raleigh. They also have other part-time help and employ more than one half dozen employees at Peebles' Charcoal Flame Restaurant.
