This was indeed a great honor for all mankind in an even more striking manner, for in Heb. 1:1,2 we

"God . . . hath in these last days spoken unto us in His Son . . . who when He had by Himself purged our sins, sat down at the right

hand of the Majesty on high." At Sinai God spoke the words of the LAW; but now, in Christ, He speaks of MERCY and GRACE. There He spoke of the righteous-els ness which He DEMANDS; but here He tells of the righteousness which He PROVIDES in Christ.

Some suppose that the absence of miraculous demonstrations, the want of divine intervention in the affairs of men, etc., indicate indifference on God's part, but actually 30 62 this apparent indifference speaks to

us of His love and grace. Remember, the Psalms and all 28 44 prophecy had predicted God's judgment upon men for their rejection 1936 of Christ, yet toay the Son still voluntarily remains a royal Exite from the world, while neither He 73 nor the Father do anything to avene His cruel crucifixion. Meanwhile, still lingering in mercy, He conciliation to His enemies by grace

With Faith... You Are Never Alone

Attend Church Regularly

PARCHED EARTH

The long summer months come and with them the dry season. All growing things begin to feel the heat and show the effects of thirst. Plant life begins to wither and fade away.

When one leaves God out of his life there is the same fading and incompleteness as the plant without water.

This Sunday put God into your life, Attend church.

"If any man thirst let him come unto me, and drink."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
