WALLACE SHAKES HANDS AT THE POLLS — Confident Governor George C. Wallace of Alabama is pictured here shaking hands with an unidentified Negro woman voter as she studies her ballot at the Clayton, Alabama polls last week. The segregationist governor flew home to vote in Alabama's Democratic primary, then back to Indiana to watch the vote count in that state's presidential primary. An indicated record vote in Alabama gave Wallace's unpledged presidential electors a clean sweep. (UPI PHOTO).

The Rev. McCloud, who has been pastor of the local church for almost three years, resigned to take a national staff position with the Board of Christian Education of the United Presbyterian Church. INDIANAPOLIS, Indiana — The trend of sentiment of the 37th Quadrennial Session of the General Conference, AME Zion Church, was noted here Tuesday night when, according to the official count by the general secretary, Bishop William Jacob Walls was recalled as a bishop. He was automatically recalled at the reading of his report last Thursday.

The speculation was that he would not be recalled due to the fact that it would be setting a precedent for the denomination. Bishop Walls reached the retirement age, set out by the Discipline, in 1960 and was recalled by the Buffalo General Conference.

It is believed that his fervent plea to the delegation turned the tide. The prelate is 78 years of age and has been a bishop for forty years, having been elected in 1924. He is recognized in church circles as "Mr. AME Zion Church" and has made a valuable contribution to the denomination and to world Christianity.

He is connected with most of the national and international church organizations and is believed to be, in point of service, the oldest active Protestant bishop of record.

Hoffa Pays For Fetchit At Hospital

CHICAGO (ANP) — Harassed Teamsters Union president Jimmy Hoffa, currently free on bond while appealing his eight-year jail sentence for jury tampering, performed a headline-catching act of charity last week when he paid the hospital bill of destitute Negro comedian Stepin Fetchit.

Fetchit was a charity patient in Cook County Hospital. He was scheduled to undergo an operation—possibly two—for a prostate gland condition.

Fetchit, who made some \$2 million dollars in the movies playing the role of a slump-shouldered, shuffling, stereotype comedian, disclosed his financial dilemma after entering the hospital. He said his assets were exactly \$146. However, after the press reporting his despicable

Baker and his attorney met two policemen at an undisclosed location in Harlem after the youth had been sought for five days in connection with the murder of two white women in Harlem. Police, who arrested five other Negro youths in connection with the murders, believe Baker and the other youths are members of a gang which assaults and kills white persons.

Mrs. Welcome, 46, is a native of Salisbury, N. C. She became the first female Negro ever elected to the Maryland State Senate two years ago. She was grazed by two bullets, shot from ambush outside her home here on April 10. However, she received immediate attention from her physician husband. LBJ Talks Of Justice In Dixie

ATLANTA (ANP) — President Lyndon B. Johnson Friday wound up his six-state tour of the poverty-stricken Appalachian region with a dramatic speech to Georgia legislators at a breakfast meeting here, where he talked sense, logic and the facts of racial justice to the lawmakers, and took an indirect slap at Gov. George C. Wallace.

The President, in his folksy, direct manner, called on Southerners to support efforts to bring racial justice and equality to all, and to reject the shrill cry to those who try to mislead them into thinking they can turn back the clock of time.

He said the rights of all people must be protected "because the U. S. Constitution requires it—and because justice demands it."

The President did not mention Wallace by name, but took this indirect slap of the segregationist Alabama governor:

"Those who call for extreme solutions can bring us only discord and disarray. They tell us to stand upon our rights, but they fail to tell us how to meet our responsibilities."

Nude Body Found By Husband

OKLAHOMA CITY (ANP)—First degree manslaughter charges have been filed here against a 22-year-old Eastside man in the brutal sex slaying of Mrs. Ethel (Berdie) Hudson, 46. Facing the murder count is Everette Lee Carson.

According to Lt. B. C. Mosshart, head of the homicide division of the Oklahoma City Police Department, the nude body of Mrs. Hudson was found by her husband when he returned home from work. An autopsy revealed the woman had been beaten and kicked to death after having been sexually molested.

Lt. Mosshart said Mrs. Hudson met Carson and two other men at the Green Door tavern, at about 2 p.m. Saturday. He said the woman got into a car with the trio and went to a liquor store where liquor was purchased. The police officer said the group then went to Mrs. Hudson's home and consumed drinks and played records.

Lt. Mosshart said Mrs. Hudson and Carson were left alone at the house by the other members of the party. He said they came back for
