

Expect Largest Attendance At 45th Beauticians' Meet

BY O. C. W. TAYLOR

NEW YORK — The 45th annual convention of the National Beauty Culturists' League, scheduled for New York City, July 26 through August 5, bids fair to be the largest ever from the standpoint of attendance.

Dr. Katie E. Whickam, President, says that "FAIR" is the magic word. Always favored with a large attendance, the World's Fair has given the convention that added attraction that is enabling it to draw to its sessions almost double the number usually in attendance.

She noted that it had been quite a while since the beauticians had met in New York City and the local committee was going all out to see that those in attendance saw all the sights to be seen.

The departments of the convention have all their plans completed. These departments include the Institute of Cosmetology, wherein beauticians learn the latest in beauty culture; Theta Mu Sorority with its fine social associations, and the convention itself with panels, discussions, exhibits, din-

ners, breakfasts, balls, etc., all lend color and glamor to the already glamorous convention.

Headquarters will be at the Sheraton Atlantic Hotel in the heart of downtown New York. A memorial service will be held in Abyssinian Baptist Church, pastored by Congressman Adam Clayton Powell.

Conducted tours will be arranged for so that the beauticians may see the World's Fair. Sight-seeing trips around New York and vicinity have also been arranged.

Top beauticians from over the nation have been invited to be pre-

Popular Shows To Be Repeated By UNCF Choirs

NEW YORK — The July broadcasts of "Negro College Choirs," the ABC Radio Network weekly series, will repeat four audience-favorite programs. The choral groups of eleven southern colleges will be represented, the United Negro College Fund announced here today.

Featuring the member colleges of the Fund, the programs originated in New York City and are beamed by the American Broadcasting Company to its affiliated stations each week. The local ABC stations throughout the country broadcast the choirs on varying days and at different times. Check local newspaper listings for airtime.

The first broadcast of the month, originating July 5, will feature St. Augustine's College, Raleigh, N. C.; Fisk University, Nashville, Tenn.; Wiley College, Marshall, Texas; as well as Moses Brown College, Morehouse College, and Clark College, all in Atlanta, Ga. The six choirs will sing eight "Songs of Praise" by various composers.

Clark College of Atlanta will be featured again the week of July 12. J. DeKoven Killingsworth is the choir's director.

Music by 18th and 19th century Russian Composers will be heard the week of July 19. Sharing the spotlight are Wiley College, Marshall, Texas; Benedict College, Columbia, S. Indonesian Sisters At Bennett Part

GREENSBORO — Not only is it sometimes necessary for the best of friends to part, but sisters may be similarly affected.

This is what happened to two rising Bennett College juniors—Wei Lie So and Lily So, of Indonesia, who, until this summer, have been literally inseparable. In their search for summer employment, both young women were successful, but, alas, their work takes them to separate locations.

Wei Lie, a pre-med major, who was salutatorian of her class at the Singapore American School in 1962, is working in a private home at Longmeadow, Mass. Lily, whose major is chemistry, is working in a pharmacy at Mountain Dale, N. Y.

They have one consolation, though—if they don't get a chance for a day or two of relaxation in New York City before returning, they will at least be together again come September.

RECEIVES \$2,000 GRANT
GREENSBORO — An \$2,000 grant from the National Science Foundation, to be matched by non-federal funds, has been received by Bennett College for the purchase of equipment designed to improve the course content in chemistry.

Significant improvement in five areas, among them potentiometry, polarography and spectroscopy, is foreseen by Dr. J. Henry Sayles, chairman of the science division, who stated that the college will be able to provide students with a better understanding of the nature of scientific inquiry as a result.

INDIFFERENT VOTERS
No more than 64 per cent of eligible Americans voted in recent presidential elections, the Catholic Digest states.

sent and many have accepted. Many manufacturers of beauty products, and articles necessary for modern beauty culture, will have their wares on exhibit in the hotel continuously from start to finish. Tickets to all leading shows, clubs, etc., will be arranged for by the committee. Mrs. Maude Gadsen, chairman of the local committee, says nothing has been left undone to make the 45th convention the best ever.

A GLORIOUS CELEBRATION — This is one of the many scenes which took place at the quadrennial session of the A.M.E. Zion Church, held in Indianapolis, Indiana, recently. Bishop W. J. Walls, senior prelate of the church, is shown at the microphone with his wife, Mrs. Dorothy Walls as he began to make his appeal for recall as a bishop. Bishop W. A. Stewart, presiding officer, is shown at the extreme left. Dr. C. E. Norment, Winston-Salem, N. C., is standing near Mrs. Walls with Bishop H. B. Shaw and Mrs. Barbara-Jean Jones are shown in the background.

Keep North Carolina Growing... in Education!

As the father of five youngsters and past president of the Citizens Committee for Better Schools, Richardson Preyer has long believed that the time has come when education must be the first priority of every Governor, not just one every half century... that the price of education is cheaper than the cost of ignorance.

As governor, Preyer will:

Reduce class size in public schools to assure each child individual attention.

Free our schools from book fees and other charges.

Provide teachers with clerical assistance to give them more time for teaching.

Make teachers' salaries competitive with the national average.

Vote for Richardson Preyer for Governor... to keep North Carolina Growing!
