

SATCHMO SOUNDS OFF — World's Fair, N. Y.: It's not his usual famed trumpet, but Louis "Satchmo" Armstrong seems equally adept at blasting music out of a South African bull horn proffered by Ferdinand Mafata (right), of Johannesburg, during impromptu musical session here June 30th. Occasion was celebration of Louis Armstrong Day during which the venerable jazz musician was presented with a World's Fair Medalion, a similar honor given him at the 1939 World's Fair 25 years ago. "World's Greatest Gospel Singer" Weds Indiana Real Estate Man

CHICAGO (ANP) — Mahalia Jackson, the usually calm and poised "Queen of the Gospel Singers," was a radiant but nervous, blushing bride last week.

The world-famed "rag to riches" singer met newsmen at a Loop press conference Thursday following her surprise marriage to Ministers S. Galloway, 47, a Gary, Ind. real estate salesman. Miss Jackson, a divorcee, admitted that facing newsmen on her wedding day was "quite an ordeal."

In contrast, the gospel queen was quite at ease when she thrilled almost 100,000 persons who attended the Illinois Rally for Civil Rights three weeks ago in Chicago's Soldier Field.

The couple exchanged vows in Miss Jackson's fashionable Southside Chicago home. They met in Los Angeles almost three years ago, where the gospel singer was recording one of her most popular albums, "Songs of Faith." Galloway is affiliated with the Means Brothers Developers in Gary, one

of the nation's leading building contractors, and real estate firms.

Following the press conference and a champagne toast from reporters and photographers, the Galloways dined in the famous "Top of the Rock" restaurant, atop Chicago's 41-story Prudential building.

Miss Jackson said she planned to continue her singing career.

The 52-year-old singer's long road to stardom began in her native New Orleans. Today, she is numbered among the world's most talented, beloved and respected entertainers.

TV, Movie Actor Ivan Dixon Revisits Campus At NCC

DURHAM — Ivan Dixon, actor, made a sentimental journey to the North Carolina College campus recently and renewed acquaintance with friends and faculty members, among them Dr. Marion D. Thorpe, one of his classmates who is now the college's dean of students.

Speaking warmly of his collegiate as he relaxed in the College Canteen, Dixon reviewed the 10 years which have passed since he graduated from NCC in 1954. Though pointing out that "Most of my work has been in television," he indicated that his latest work is a motion picture, "Nothing But a Man."

Among television shows on which he has performed are "The Defenders," "The Nurses," "Cain's Hundred," "The New Breed," "Twilight Zone," and "Studio One."

In answer to the question, "Are you a 'method' actor?" from Doris George, and NCC rising senior who has theatrical

ambitions, Dixon quickly replied, "I'm a Bohannon-ite," referring to Miss Mary L. Bohannon, head of the college's Department of Dramatic Art, his former instructor. "She did more for me than anyone else," he continued. "She's the best acting teacher I ever had."

A resident of Altadena, Calif. for the past four-and-one-half years, Dixon also paid tribute to Caulbert A. Jones, assistant professor of history, as a "major influence," adding "He stimulated me."

Acting, Dixon avowed, "is very much of a gamble," alluding to the fact that some of the most competent performers are sometimes unable to find work. However, he averred, "It does me good to have studied in so many areas of the theatre arts as possible," when he goes searching for a part.

Married to the former Berlie Ray of New Bern, N. C., who "once in a

while directs a show in Southern California," Dixon is a former staff member of the Karatu House, a theater group and cultural center in Cleveland, Ohio. While in Cleveland, he also attended Western Reserve University.

CLASSMATES REVIEW OLD TIMES—Ivan Dixon, left, television and motion picture actor, chats with former classmate Dr. Marion D. Thorpe during a recent visit to the North Carolina College campus. A member of the Class of 1954, Dixon has pursued an illustrious career in television, appearing in numerous top shows, and has recently completed a motion picture, "Nothing But a Man." Thorpe, who received the M. A. from NCC in 1936 and the Ph.D. degree from Michigan State University in 1961, was appointed the college's first dean of students in 1962.

A Sensation On Allen's Program:

Singer Marvin Gaye To Perform Again On Show

Singer Marvin Gaye created such a sensation in his appearance on the Steve Allen TV Show that plans are in the offing for a return engagement on the show.

While no definite date has been set, it is supposed that he will make his second appearance on nationwide television sometime in the early fall.

Following the Steve Allen TV appearance, Marvin undertook the tremendous task of recording with a 40-piece orchestra. The album releases from this recording session should be available to the public within the next 60 days.

Marvin, who is eagerly awaiting several album releases, is slated to appear in England sometime in September.

Belafonte smashed a 30-year-old attendance record at the huge Leisold Stadium in New York City in 1956, and in 1963 broke his own record at Los Angeles' Greek Theatre. Later he recorded a best-selling record based on his appearance there, titled "Belafonte at the Greek Theatre."

"The Miracles" Reach For Top With New Disc

The Miracles, popular Tamla recording artists, are reaching for the top again with their recording, "LIKE IT LIKE THAT." The group, headed by Bill "Smookey" Robinson, made its entry into the million seller ring with their recording, "SHOP AROUND."

Incidentally, the group will be minus Claudette Rogers (Mrs. William "Smookey" Robinson) for the next five months. It seems that she and Smookey are expecting a little "Miracle." Who knows...? Maybe he or she will join their Mom and Dad—then it truly will be a show business family.
