# "Freedom Issue" Of Green Book Debuts At Convention

DETROIT (NPD) — One of the highlights of the National Funeral Directors and Morticians associations, meeting here last week, was the introduction of the sixth edition of the National Green Book for 1964-65.

Dubbed the "Freedom Issue," this year's edition is unique in Green book history in that it is dedicated to the "spirit of Abraham Lincoln, Booker T. Washington, Medgar Evers and John Fitzgerald Kennedy."

The National Green Book is published by Robert H. Miller, the association's general secretary, and Atty Russell R. DeBow, both of Chicago, and is widely distributed among funeral directors, morticians and florists.

Aside from its regular features—a directory of more than 2,000 Negro funeral directors and morticians in the United States, a "Who's Who in Funeral Service," a florists section and pages of specialized advertising—the 1964-65 issue carries an information section, featuring the lives and philosophies of Lincoln, Washington, Evers and Kennedy; and articles on President Lyndon B. Johnson and the Great Society; Milestones in Negro History; Provisions of the Civil Rights Act of 1964; Negro Congressmen, past and present; and a listing of NFD-MA members serving on state boards.

The 19th Annual Boule of Tau Gamma Delta Sorority held August 12-16 in Goldsboro, was one of the most enjoyable and successful of its 19 year history. Nu Chapter was the hostess.

The Boule was officially opened on Wednesday night at the Public meeting held in Wayne Center. The Honorable Tom Robinson, mayor of the city of Goldsboro, extended the welcome to delegates from all parts of the country who represented their various chapters. Other words of welcome were given by Rev. M. W. Morgan on behalf of Churches, Dr. N. H. Shope on behalf of the Schools, Mr. A. B. Reid on behalf of the Fraternal Organizations and Mr. L. Z. Craft on behalf of Businesses.

The guest speaker for the meeting was Mrs. Ruth Whitehead Whaley, a native of Goldsboro, Secretary Board of Estimates of New York City. At this meeting three awards were given—the national scholarship to Miss Patricia Jones, the scholarship from the local chapter to Miss Cynthia Kirk and the National Charity award to the E. A. House Boys' Club.

Many social courtesies were extended the delegates by the organizations and clubs of the city—luncheon at The Roaming Steer Club on Wednesday, breakfast Thursday morning by Epsilon Phi Omega Chapter of Alpha Kappa Alpha Sorority, an outing Thursday afternoon by the men of Goldsboro, and the Continentals Club sponsored a tour of Seymour-Johnson Air Base and O'Berry Center for retarded Children on Friday.

The formal dance was held Friday night in the Terrace Room of the Goldsboro Motor Hotel. Delta boards.

The publishers note in their dedication that "between Lincoln and Kennedy, the American scene saw hundreds of courageous fighters for equality, white and Negro, who risked their careers and their lives to advance the cause of freedom."

"We think this is our greatest issue," the publishers added. Green Book is published at 730 E. 63rd St., Chicago, Ill., 60637.
