### C. Haywood Begins 2nd NHA Term

C. A. Haywood, Sr., local mortician, is the only Negro ever to serve on the Raleigh Housing Authority.

After being appointed to fill the unexpired term of a white member, who died two years ago, Mr. Haywood was reappointed by a unanimous vote last month and will serve until 1969 under the present appointment.

He was the recent recipient an expression of appreciation from members of the Raleigh City Council for the services rendered and his willingness to work for better housing for all citizens of the Raleigh area.

The city's mayor, James W. (Jim) Reid, wrote a letter of re-appointment to Mr. Haywood as a member of the Raleigh Housing Authority of the City of Raleigh. He first began service with the RHA on April 11, 1962.

A product of the Raleigh Public Schools, Haywood also attended Bricks Junior College, National Training School, now North Carolina College, Durham, and Shaw University.

### Raleigh Funeral Home President Active With Local Elks Home

Mr. Charles A. (Doll) Haywood, Sr., joined the Fidelity Lodge No. 277 of the Improved Benevolent and Protective Order of Elks of the World in 1926.

He has proved himself a loyal and devoted member. For such devotion and loyalty he was awarded the

most coveted degree in Elksdom: Past Exalted Ruler. He is also a member of the Ruler's Past Exalted Ruler's Council, No. 127 of the 26th District of North Carolina.

The mortician was chairman of the Trustee Board when the present Elks' home, 619 E. Davis St.,

was purchased, and he is now the chairman of the Thanksgiving Day Program, sponsored annually by the Elks.

This program consists of serving dinners in the Home to the elderly and underprivileged folks of the Raleigh area, furnishing transportation and delivering dinners to the ones who are unable to attend. Haywood is instrumental in keeping this particular program alive and also finds time to work with the committee that gives a Christmas Party for this city's underprivileged children.

### Benefits For Spare Time Work

Qualified men who have served as enlisted men or officers in any branch of the Armed Forces can join the U. S. Coast Guard Reserve in the pay grade they held at time of discharge.

During the term of enlistment, which may be 3, 4 or 6 years, Coast Guard Reservists attend weekly drill meetings in their home town. Once a year they devote two weeks to training away from home.

Since these men receive a full day's pay for each drill period and regular pay for the annual two week's training, they find service in the U. S. Coast Guard Reserve can convert spare time into a worthwhile second income. In addition, they can retire with pay at the age of 60 after 20 years of service.

### Sigma Frat Proud To Claim 'Doll'

As a founder of the Eta Sigma Chapter, Phi Beta Sigma Fraternity, Charles A. (Doll) Haywood, Sr. has enjoyed a fellowship with the brothers that extends back to his undergraduate days at Shaw University.
