APEX CONSOLIDATED SCHOOL

DR. PURDIE ANDERS SPEAKS TO STUDENT BODY

APEX — The Apex Consolidated High School was very fortunate in having recently, Dr. Purdie Anders from St. Augustine's College to speak at its special chapel program. Dr. Anders, associate professor of science at St. Augustine's College, spoke to the student body concerning his plans for the future. He reminded them of the vast need for quality education and emphasized that one can no longer survive with a "C" average. He said that the time has come when we are evaluated by our performance. If we can meet the challenge, then the job is ours. He mentioned the dropout problem and the effect upon our society. He encouraged students to stay in school and do your very best work. Develop good study habits. If you have the ability, go to college and from college to graduate school. If you are not college material, then go to a trade or a vocational school. The most important thing is to prepare yourselves to meet the challenges of our times.

The speaker informed the students that there is no excuse for not continuing their education. He pointed out the sources of local, state and national scholarships. In addition, he cited the number of students now attending St. Augustine's College who are on various kinds of scholarships including work aid.

Dr. Anders also cited figures to show the students how much cash money an eighth grade student could make in a life time, how much a high school graduate could make and how much a college

graduate's earnings could be. With the cost of living going upward and automation swiftly moving in, Dr. Anders cautioned each student not to stop short of anything except the top. "Study hard, set your goals and let nothing keep you from reaching them."

THE SICK We are happy to report that our sick are much improved. Mr. Emmett McCoy who has been a patient in Wake Memorial Hospital is home again and is doing nicely.

Think on these things: My greatest loss—To lose my soul. My greatest gain—Christ the Savior. My greatest object—To glorify God. My greatest crown—To win souls for Christ. My greatest influence—The right kind of life. My greatest joy—Salvation by Grace. My greatest inheritance—Heaven and its glory. My greatest victory—Over death through Christ. My greatest bargain—To lose all to win Christ. My greatest decision—For Christ and the Church. My greatest investment—Time, talent, and money. My greatest reward—"Well done," from the lips of Christ.

STERLING FOR STABILITY

"Home is where the heart is," but home is a lot more home-like with your own things around it. Many newlyweds, in off-campus and city apartments with storage problems, find most of their pretty wedding gifts ending up in mom's attic. Whatever else has to stay behind, the wise bride will take along her sterling silver flatware. No matter how cramped the quarters and how few the luxuries, with sterling the bride can serve with a flourish even if it's from a card table set up in the living room. Also, sterling silver is reassuring—because it is always correct and its permanence lends a feeling of stability to a new household.

Screening will take place on our next meeting date. We are hoping to have more people in our Thespian Club this year, and we hope the club will be a successful one.

Maryland State Ruins NCC Homecoming, 7-0

BY JOHN B. HENDERSON

DURHAM — The North Carolina College Eagles were hosts to the Maryland State Hawks of Princess Anne, Maryland, for their homecoming game at O'Kelly Field Saturday on a beautiful autumn afternoon. But when the final whistle blew signaling the end of the game for the Eagles, Coach Herman H. Riddick and his charges walked off the field dejected 7-0 losers to the invaders from Maryland. It was a nip-and-tuck kind of contest, with neither team completely dominating the other. Eight thousand homecoming fans saw the Eagles fall behind 7-0 to Maryland State just seconds before the first quarter ended. The victory for Maryland State over the Eagles was sweet revenge. In 1963, the NCC gridmen traveled to Maryland State to oppose the Hawks on their homecoming and emerged with a 20-7 victory. The game's only tally came when the alert Maryland defense snared an NCC pass thrown by Eagle quarterback William Reid just minutes before the first stanza ended. Maryland's end Edward Hines intercepted Reid's aerial on NCC's 15-yard line and returned it to the five before he was pulled down by a host of Eagle tacklers. Within four goal-to-go plays, the Hawks scored. Charles Stukes, Maryland quarterback, faked to fullback Emerson Boozer and threw a strike to his end, Marshall Cropper, for a touchdown. The PAT made the score 7-0 in favor of the visitors. From this point on, the Eagles seemed to have their problems. Their offensive machine was throttled by an alert and aggressive Maryland defense.
