Thursday Sept., 2, 1897.

We conclude from observa tions that the associations and other large religious astheir plans and get rid of a rabble element which now in- of the reptiles. variably attends these meetings, A number of wild, other counties and they all Blackburn. "like birds of a feather flock together." they seem to know each other as they do kinspeople. They get on their horses and run up and down the roads like a marauding band. They may enjoy this sport and think it harmothers it locks like lawlessshould be dealt with severely. There is a statute against this sort of conduct, why not enforce it? The sheriff ought to be on hand on such oceasions.

The association held at Brushy Fork church last pleasantly with the excepwhere they caroused and jumped on a young man by and Blackburn's. the name of Jim Mast and large crowd of people attending the association were orderly and behaved, being com posed of our best class of peo ple. The number of people there on Wednesday was reck oned at from 1200 to 2,000. certainly a large crowd was there. We noticed the proportion of the assembly were a greater number of young men and women than we usnally see. The Watauga ple all neatly dressed with glowing health and apparant happiness.

The 'Citizen' says a traveling bolloon, the start and destination of which are unknown, passed over Asheville late Tuesday afternoon. The air ship, which was a huge one and appeared to have a car attached, was seen about 6:45 by Dr. W. P. Whittington, H. Betterham and J. B. White, who had a fine view of the aerial traveler. On Monday night a similar object was seen floating through the air by citizens of Greens-

Salisbury World: We learn from our Faith correspondent that Mr. T. C. Wyatt who lives near Bringh's Ferry, has found gold on his place. He has discovered a vein one-half mile long and mix to seven feet wi.le. A shaft has been sunk 62 feet.

I wenty

For more than twenty years we have been telling how Scott's Emulsion overcomes the excessive waste of the system, puts on flesh, nourishes and builds up the body, making it the remedy for all wasting diseases of adults and children, but it isn't possible for us to tell the story in a mere stickful of newspaper type.

We have had prepared for us by a physician a little book, telling in easy words how and why Scott's Emulsion benefits, and a postal card request will be enough to have it sent to you free. To-day would be good time to send for it.
