If Spain should fight us she will probably serd her fleet against Galveston, New Orleans, Mobile, Charleston, Wilmington or Norfolk. Recently these cities have been fortified. Heavy guns have been placed at these exposed points and the Spaniards will receive a warm welcome.

Then Bob. writes an open letter like De Lome and J. Wiley Shook and tells things on Daniel. In his letter he charges Daniel with trying to get him (Bob) to assault Josephus Daniels of the 'News and Observer', and unless he did make an assault he could not hold the presidency of said road. In answer to this Daniel says Bob is a har.

#### In Memoriam.

John O. South was born Dec. 14th, 1865, and died of typhoid fever Dec. 20th. 1897, after an illness of only about two weeks. He was a consistent member of the M E. Church a t Sutherland Chapel, N. C., and a man pos sessed of noble traits of character, and who stood high in his neighborhood. He was loved and honored by all who knew him, and had, by his constant efforts, worked him self up to a point in this life where he had begun to accumulate some means as a trader, but alas! the sum mens came, and he had to answer the "roll call," the fi-

nal end of all men. May the good Lord keep a watch over the bereaved widow and two littleboys, David and Grover, that they may grow up in

the fear and admonition of our Heavenly Father. A FRIEND.

The big Monitor Terror left the Navy yards at Norfolk on the 24th and steamed to Old Point and is waiting orders. This ship has the name Terror.
