Is our war with the Philippines a thing of which to be proud? All the world loves and bonors a soldier who is fighting for what he thinks is right. There are none who deserve so much honor as those who leave home and friends and risk their lives in defense of their country. Their names should be "sung in song and story, and wreathed around with glory" as long as time lasts, but if reports be true, the present war is the laughing stock of the military men of all nations. All honor to the noble boys who bear the arms under a torrid sun, but the war is a burning shame to the administration.

A few days since at Wilson's Mills, a man and his wife were tried before a Un ted States Commissioner at Smithfield for blockading. The woman pled guilty, but protested to the last that her husband was innocent. He al so pled innocence but the ev idence was dead against him, so they were bound to court in a bond of \$200. It must be "love faithful love, such as as angels feel above" to make a woman take all the blame on herself under such circumstances.

# **ASK YOUR DOCTOR!**

Ask your physician this question, "What is the one great remedy for consumption?"
He will answer, "Cod-liver oil." Nine out of ten will answer the same way.

Yet when persons have consumption they loathe all fatty foods, yet fat is necessary for their recovery and they cannot take plain codliver oil. The plain oil disturbs the stomach and takes away the appetite. The disagreeable fishy odor and taste make it almost unendurable. What is to be done?

This question was answered when we first made

of Cod-Liver Oil with Hypophosphites. Although that was nearly twenty-five years ago, yet it stands alone today the one great remedy for all affections of the throat and lungs.

The bad taste and odor have been taken away, the oil itself has been partly digested, and the most sensitive stomach objects to it rurely. Not one in ten can take and digest the plain oil. "Evil Dispositions Are Early Shown."

Just so evil in the blood comes out in shape of scrofula, pimples, etc., in children using Hood's Sarsaparilla. In older people, the aftermath of irregular living shows itself in bilious conditions, a heavy head, a foul mouth, a general bad feeling.

It is the blood, the impure blood, friends, which is the real cause. Purify that with Hood's Sarsaparilla and happiness will reign in your family.
