Swallowed & Cabbage Srake.

On Thanksgiving day, says

the Lenoir News, Mrs. E. Wat son, who lives a few miles east of Lenoir, was preparthin body. Each makes the ing cabbage for dinner and found in the heart of one a genuine cabbage snake. His snakeship was six to e i g h t inches long, white and about the size of eight or ten spool thread. He was very much alive and when Mrs. Watson held him in her hand he squirmed and tied himselt in knots. Mrs. Watson put the "sarpent" in a cup of water until be could get a suitable bottle bottle to preserve it in. While she was getting the bottle ready and had her back turned her little two and one half year old boy took the cup and drank the water. snake and all. Mr. and Mrs. Watson were much alarmed at first, but at this writing-
