Precisely What the Silver Men Wanted.

Columbia State.

Though "free silver" is no longer an issue there appear to be a few "inflationists" left and, according to the Springfield Republican, the Treasurer of the United States, Ellis H. Roberts, is one of these. It is somewhat amusing to see one of these goldbugs lecture the other on his financial views. In his recent annual report, referring to the increase in the production of gold, Treasurer Roberts said: "The mines are thus confirming the gold standard steadily and invincibly. They are creating an inflation in currency that keeps pace with the enterprise and industry of the country. They are contributing to an advance in prices in general commodities, and add impetus to the prosperity of our people." "This," says the Republican, "was precisely what the silver men were aiming at, and for which they were so roundly denounced and repudiated. That the same result has been reached in another way makes no difference in its essential character. Depreciation of money is always, of course measured by the rise in commodity prices, and there is as much actual dishonesty, in relation to debts and business contracts, about a gold dollar whose purchasing power has been reduced 33 per cent. within half a dozen years, as there is about any other dollar similarly depreciated. And there can be no moral difference between a public policy which deliberately permits of such a depreciation under a previously established monetary arrangement purposely to effect the depreciation. But Mr. Roberts does more than tolerate the gold depreciation. He rejoices over it.

What Will Pritchard Do Asheville Citizen.

What will be the outcome of the break between the President and Senator Pritchard?

Will Pritchard back water on his former position and for the sake of patronage yield to the President?

If he does he will forfeit public respect and ought to do so.

Will he reiterate his "lily white" policy and fight it out with the administration?

He does new leaders will arise, controlling the patronage and shaping the party policy in this state.

Mr. Pritchard will then find himself politically poor indeed, for he will find that those who have fawned upon him to obtain favors will desert him when they find that he no longer has offices to bestow.

A Southern Republican who is shorn of influence at the pie counter is without power or popularity in his party.

Truly, therefore, the senior senator from North Carolina is literally between the devil and the deep blue sea with no help in sight.

STOP THE COUGH

WORK OFF THE COLD, Laxative Bromo Quinine Tablets cure a cold in one day. No cure no pay. Price 25c.

All Stuffed Up

That's the condition of many sufferers from catarrh, especially in the morning. Great difficulty is experienced in clearing the head and throat.

No wonder catarrh causes headache, impairs the taste, smell and hearing, pollutes the breath, deranges the stomach and affects the appetite.

To cure catarrh, treatment must be constitutional—alterative and tonic. "I was afflicted with catarrh. I took medicines of different kinds, giving each a fair trial; but gradually grew worse until I could hardly hear, taste or smell. I then concluded to try Hood's Sarsaparilla, and after taking five bottles I was cured and have not had any return of the disease since." EUGENE FOXES, Lebanon, Kan.

Hood's Sarsaparilla

Cures catarrh—it soothes and strengthens the mucous membrane and builds up the whole system.

If trusts will persist in over capitalization, let tax be assessed on the property at the valuation placed upon it by the trust. If the property of a trust is worth \$1,000,000, 000 for bonding and stocking it ought to be worth \$1,000,000 for the purpose of taxation.—Indianapolis Sentinel.

DISASTROUS WRECKS.

Carelessness is responsible for many a railway wreck and the same causes are making human wrecks of sufferers from throat and lung troubles. But since the advent of Dr. King's New Discovery for consumption, coughs and colds, even the worst cases can be cured and hopeless resignation is no longer necessary. Mrs. Lois Cragg, of Dorchester, Mass., is one of many whose life was saved by Dr. King's New Discovery. This great remedy is guaranteed for all throat and lung diseases by M. B. Blackburn. Price 50c. and \$1. Trial bottles free.

The Winston-Sentinel of the 19th says:

"Congressman E. Spencer Blackburn is here on his return from Washington to Wikesboro to close up his campaign headquarters. He has decided to locate in Greensboro and engage in the practice of law, after his marriage to Miss Parker, the daughter of the millionaire capitalist, of Washington, D. C. It will be a quiet home wedding and will be celebrated on December the 20th. It is quite certain that Mr. Blackburn will not contest the election of Congressman Klutz."
