Clips From the Commoner.

Queer. How can a man stand by Roosevelt and at the same time "stand pat"?

Strange none of the local ice trusts have retained Mr. Fairbanks to freeze up the prosecution.

Mr. Rockefeller says: "France is great because she saves money." One word for France and two for himself, eh.

Secretary Taft returned to Washington with an idea that he has something yet to learn about the question of race in the south.

'Uncle Joe' Cannon returns to Danville to find a whole lot of political nephews at work kicking boards off of his political fence.

"Stand by" and "stand pat" are favorite republican phrase. But the republican leaders dare not "stand up" on their records."

A democratic congress elected next November would be a good basis upon which to build a national victory in 1908. Organize now.

Speaker Cannon instinctively thinks of Gen. Grosvonor when he hears that John Mitchell will stump the Danville district against him.

The Russian people are beginning to realize that the only freedom worth having is the kind that the ruling powers do not want to give them.

It will wash and not rub off. This complexion allay me, it's no secret so I'll tell. Take thou Rocky Mountain Tea. M. B. Blackburn, Blowing Rock Drug Co.

The Gallus Man:

The "gallus" marks the free man and the man of genuine, unpretending culture and civilization. Your snog and your savage abhor it, in Mesopotamia the wild gashibazouk wears a belt; in Youcatan the Indian wears a girdle of shark's teeth; in Senegambia the shameless cannibal sports a gunnysack, in Atlantic City a few years back, the dudes used to wear sashes. But find a man who, when he throws off his coat to begin his daily toil lays bare a pair of heavy, sky blue galluses, and you'll find a man who pays his way in the world, loves his wife rears his children in the fear of the Lord and votes the straight ticket.

The "gallus" is useful; it is graceful and properly adorned with handpainted flowers and brass buckles, it is beautiful.

To be ashamed of it, to conceal it or to abandon it for a somber leather belt is to fail in an essential of true manhood and fly in the face of fate.—Baltimore Sun.

The intense itching characteristic of salt rheum and eczema is instantly allayed by applying Chamberlain's Salve. As a cure for skin diseases this salve is unequalled. For sale by all dealers at Boone and at Blowing Rock Drug Co.

Chamberlain's Colic, Cholera & Diarrhea Remedy

Almost every family has need of a reliable remedy for colic or diarrhea at some time during the year. This remedy is recommended by dealers who have sold it for many years and know its value. It has received thousands of testimonials from grateful people. It has been prescribed by physicians with the most satisfactory results. It has often saved life before medicine could have been sent for or a physician summoned. It only costs a quarter. Can you afford to risk so much for so little? BUY IT NOW.

Blackburn Doomed.

We quote the Duplin Journal: "The weekly Tar Heel says: 'The life of the party is at stake in this fight.' Yes, and slowly but surely burning there, not as a martyr, however.—Charlotte News.

"Which shall put the other to the stake in this martyr, to be sure, but for withecraft (political) is interesting to North Carolinians just now, as the Tar Heel's star, E. Spencer Blackburn, has the President's ear just now, because he sees in "Dik" Hackett too formidable a Democrat opponent unless Teddy gives him more pie to "dish out", and Teddy is tumbling to the racket to save "de ate" district to the Republicans".

But let it be remembered that it will take more than the President's ear to save Blackburn and "de ate" to the Republican party. In fact both ears, a nose, a pair of eyes and in fact the entire head of the President would not be sufficient to save the "Drummer Boy." He is doomed to beat another retreat.

For the Children

To succeed these days you must have plenty of grit, courage, strength. How is it with the children? Are they thin, pale, delicate? Do not forget Ayer's Sarsaparilla. You know it makes the blood pure and rich, and builds up the general health in every way.

The children cannot possibly have good health unless the bowels are in proper condition. A sluggish liver gives a coated tongue, bad breath, constipated bowels. Correct all these by giving small, laxative doses of Ayer's Pills. All vegetable, sugar coated.

Made by J. C. Ayer Co., Lowell, Mass. Also manufactured by: HAIR VIGOR, AGLE CURE, CHERRY PECTORAL.

It is terrible to reflect that we have reached the stage of the pioneers who were forced to carry their firearms to church to protect their wives and children against the ravages of the Indians, but it does appear that we are not far distant from that state. Three assaults on white women in South Carolina within two weeks, five in Georgia and almost the same story in other Southern states calls for some action. With the Atlanta Journal we believe that we have come to the pass where our women should arm themselves and learn to use their arms. It has almost gotten so that a woman is in danger whenever she leaves the shadow of the home and oftentimes the assaults of these black beasts. Our women should learn to shoot and when they are attacked they should shoot and shoot to kill.—Charlotte News.

Summer Diarrhoea in Children. During the hot weather of the summer months the first unusual looseness of a child's bowels should have immediate attention, so as to check the disease before it becomes serious. All that is necessary is a few doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy following by a dose of castor oil to cleanse the system. Rev. M. O. Stockland, Pastor of the first M. E. Church Little Falls, Minn., writes: "We have used Chamberlain's Colic, Cholera and Diarrhoea Remedy for several years and find it a very valuable remedy, especially for summer disorders in children."
