History Repeating Itself.

(News and Observer.)

This is the year for the Democrats to win. The Republican administration dominated the Chicago convention through its office-holders last week just as they did at Minneapolis that year. Taft's nomination, made by pressure and machine methods, has evoked no enthusiasm. The Washington Herald recalled that convention during the session of the Republican convention last week and said:

"Once before there was a convention much like that now gathered at Chicago, a machine-made, officially-directed assembly that herfunctorily carried out a cut-and-dried program prepared at Washington.

"It chilled everybody in attendance, took the heart and spirit out of delegate and on-lookers alike, and sent them home sore and sorrowful. It's methods served to wet-blanket party hopes the country over.

"That convention was held at Minneapolis in the year of our Lord, 1892. In the election following the Republican party was all but wiped off the face of the earth at the hands of an opposition lead by a candidate who had met a crushing defeat four years before, and whose party in his own state bitterly fought his third nomination and openly predicted his defeat at the polls.

"All this happened only sixteen years ago. It is fresh in the minds of party men today, nowhere is it so vividly recalled as in Chicago.

"But the steam roller rolls on."

Stomach troubles are very common in the summer time and you should not only be very careful about what you eat just now, but more than this, you should be careful not to allow your stomach to become disordered, and when the stomach goes wrong take Kodol. This is the best known preparation that is offered to the people to-day for dyspepsia or indigestion or any stomach trouble. Kodol digests all foods, it is pleasant to take. It is sold here by J. M. Hodges.

United States Marshal C. F. Blalock and Chief of Police, P. P. Jones, paid a visit to South Mountain Monday morning in search of a "booze factory," and were successful in capturing a distillery of 100 gallons capacity and in destroying a number of fermenters. Unfortunately the operatives had departed without leaving their address and the officers were compelled to content themselves without making any arrest.—Hickory Democrat.

A Grand Family Medicine.

"It gives me pleasure to speak a good word for Electric Bitters," writes Mr. Frank Conlan of No. 436 Houston St., New York. "It's a grand family medicine for dyspepsia and liver complications; while for lame back and weak kidneys it cannot be too highly recommended." Electric Bitters regulate the digestive functions, purify the blood, and impart renew vigor and vitality to the weak and debilitated of both sexes. Sold under guarantee at all druggists, 50c.

"When the cat's away the mice will play," and now is the time for the ticks to romp and gamble. Both the tick inspectors Crit Horton and Bob Staley, are off to Charlotte to attend the convention.—Chronicle.

The Best Pills Ever Sold.

"After doctoring 15 years for chronic indigestion, and spending over to hundred dollars, nothing has done me as much good as Dr. Kings New Lift Pills: I consider them the best pills ever sold," writes B. F. Ayscue, of Ingleside, N. C. Sold under guarantee at all druggists, 25c.

Twilight and Music.

The following lines were composed for Miss Hattie Crawford, of Salisbury, by Dr. A. T. Brickell, and published by request.

When the Twilight hangeth Her curtain of night,
At the sound of music sweet,
Evil spirits take their flight,
For music was invented
Just for this very thing,
Then let us to the inventors shrin
A thankful tribute bring.

When the Prodigal returned,
They had dancing and play,
And music, soft and sweet,
Drove trouble clear away.

The gladdened heart of father
Rejoiced without pain,
To know that his lost son
Was back at home again.

The angels sang the sweetest
Songs to mortals on earth,
As the star guided Shepherds
To the place of Jesus' birth.

Glory be to God
In the highest then,
Peace on earth
And good will towards men.

But at last the twilight
Of death will come,
Then give me the candle
Of the Lord to burn.

To light me through the valley
To my heavenly home;
Where all the shining angels
Areshouting 'round the throne

Where there is no twilight,
To darken our eyes,
For love, joy and music
Is just beyond the skies.

Where the Dethhoven,
Or God himself is;
There is no greater pleasure
Than to know that we are His.

Kennedy's Laxative Cough Syrup is the one that children like so well to take as it tastes nearly as good as maple sugar. It is different from the others as it does not constipate, but on the other hand it acts gently yet freely on the bowels and thereby it drives the cold out of the system. It is sold by J. M. Hodges.
