Avoid Colds.

Sudden changes, high winds shifting seasons, colds and gripes, and these summer colds are dangerous and...

...out in India.

In a lecture at one of the Des Moines, Iowa, churches a missionary from India told of going into the interior of India, where he was taken sick, that he had a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy with him and believed that it saved his life.

Perhaps adversity may prepare a man for the life beyond the grave, but it curtails his credit while on earth.

Keep Your Skin Clear and Healthy.

There is only one way to have a clear, healthy complexion and that is to keep the bowels active and regular.

Clothes may not make the man but they rather tend to classify him.

A Good Family Cough Medicine.

Can be made by mixing Pine-Tar, Aconite, sugar, hyoscyamus, saffron, peppermint, ipecac, rhubarb, mandrake, capsicum, muriate ammonia, honey and glycerine.

Men suspect those who agree with them and dislike those who do not.

Stomach Trouble and Constipation.

"I will cheerfully say that Chamberlain's tablets are the most satisfactory remedy for stomach troubles and constipation that I have sold in thirty-four years' drug store service."

A promising young man often breaks his promise.

Rheumatic Pain Stopped.

The drawing of muscles, the soreness, stiffness and agonizing pain of rheumatism quickly yield to Sloan's Liniment. It stimulates circulation to the aching part.

Saved Girl's Life

"I want to tell you what wonderful benefit I have received from the use of Thedford's Black-Draught," writes Mrs. Sylvania Woods, of Clifton Mills, Ky.

"It certainly has no equal for la grippe, bad colds, liver and stomach troubles. I firmly believe Black-Draught saved my little girl's life. When she had the measles, they went in on her, but one good dose of Thedford's Black-Draught made them break out, and she has had no more trouble. I shall never be without

What Do You Know About The Maxwell Car?

THIS is the time of the year when more people are considering the question of "what car to buy" than at any other time of the year.

This community has its full share of people who will soon be driving their first car or a new car to replace the old one.

Now, we know that we are going to sell Maxwell Cars to a great many of these people—depending upon how many we are able to acquaint with the merits of the Maxwell.

The generous value offered in the car is so evident—its past record is so full of good performance—owners speak so well of it—that when the buyer knows these things, he is eager to buy a Maxwell.

In order to tell as many people as possible about the merits of the Maxwell Car we are going to spend a lot of money in the next few weeks in this paper advertising Maxwell merits to those who do not know them.

The reason—we want to sell as many Maxwells as possible this season. Our future allotments will depend upon how many Maxwells we sell now.

You may know that the Maxwell market is a buyer's market, not a seller's market—broadly speaking. The demand for Maxwells the country over is greater than the supply.

For this reason cars are allotted to dealers by the factory according to the size of the dealer's business.

We want to make a showing and be in a position to get a generous allotment of Maxwells hereafter. Because the more Maxwells are sold in any community, the greater is the future demand. We realize the opportunity to do an ever-increasing Maxwell business.

This is only the first of the several messages we are going to print—a few days apart—concerning the Maxwell Car. But we don't expect to be able to adequately present Maxwell merits in printed words alone.

If you are one who is going to buy a new car you will find it decidedly to your advantage to find out all you can about the Maxwell before you place your order.

Come in and talk it over with us and let us demonstrate the car to you. Then, don't take our word alone, but ask those who now own Maxwells.

Get "posted" about the Maxwell and you will realize more satisfaction and get more "value received" for your motor car money than ever before.

And we are just as willing to have you investigate other cars just as fully as you do ours. The Maxwell will not suffer by the comparison.

Why not start your Maxwell investigation today?
