-Mr. Thos. Green, of Stony Ford, was one among a large number of business callers at our office on Monday, and were glad to see him looking in the best of health, after a long course of treatment for a very stubborn disase, in Johns Hopkins Hospital during the summer. When taken there, his condition was con-

sidered almost hopeless. -Prof. W. L. Winkler was in to see us Monday. He tells us that he and his wife will leave for Flor ida between now and Christmas, and intend to spends some time there for the benefit of his health which is anything but robust just now. We trust the stay in the Land of Flowers will be both profitable and pleasant for the good people.

-A Mr. Jordan, of Raleigh, N. C., representing the State and National Beef Breeder's Association, has been in Watauga looking after an organization here, and we are told that he met with considerable encouragement. He will return early in the year. In the mean time, our Mr. W. E. Shipley will look after getting up

BOONE,

last Monday, the young lady Mr. Mast was solicited for a her many friends and school- he did not have one grain to sell; mates, all of whom are delighted that he had 11 head of horses to see her again.

-A letter from Mrs. J. C. Fletcher to her daughter, Miss Lois, bears the intellgence that Atty. J. C. Fletcher, whose illness we mentioned last week, has developed pneumonia, but seems to be getting on fairly well.

-Mr. Jesse F. Robbins, who, not being sufficiently recovered from a recentfall to resume work at the carpenter trade, has taken a position, temporarily, in the Cottrell store, where he will remain through the holidays, at least.

-If any man is silly enough to think that our little county loca. ted away up here in the hills, is in a straightened financial condition, let him examine the reports of our three banks in this issue and see how much cash they have to their credit.

-Work is progressing nicely on the large gymnasium building near Newland Hall. It stands on the very brink of an artificial lake, and when completed it bids fair, with its rustic surroundings, to be the beauty spot of the entire school property.

-We are glad to know that Dr. G. W. Smith, of Hopkins, who recently returned from the Johns Hopkins Hospital at Baltimore, where he took treatment for an obstinate case of rheumatism, is improving right along, and his friends are now hopeful of his ultimate recovery.

-Mr. and Mrs. Cleveland Moretz, of Grassy Creek, this county, left Monday morning for Lancoln county, where they will make their future home. Mrs. Moretz is a daughter of Rev. M.L. Carpenter, and he is much cast down o-

and 60 cattle that he must feed through the winter, and was buy-

ing but little of the precious cerial.

-There was no preaching ser. vices at either of the churches in Boone on last Sunday, due to the fact that Rev. D. P. Waters, who was assigned here tor another year. has not yet returned, and last Sunday was his first appointment for the Conference year. Something unusual for a Sunday to pass in Boone without a good sermon in one or the other of our churches.

-W. F. Sherwood, one of the most pleasant fellows to be found, was in to see us Tuesday. We were glad to hear him say that his son Jim, who has been in the West for several months, has returned and is again wielding the yard stick in the store. Wiley says business has never been better with him, but he just hasn't got any corn to sell, and there is no use of talking to him about that.

-Mr. and Mrs. H. K. Hatton, and two sons, of Park City, Montana, are in for the winter and will spend the time visiting relatives and friends in their home county until early spring, when they contemplate returning. Mr. and Mrs. Hatton were in to' balance accounts with The Democrat, and we were indeed glad to learn that they had succeded
