CHEER UP

Though days of strife be drawing near, though war may last for many a year, it is not well to yield to fear; cheer up! Don't let your optomism fade; you give the foe untimely aid when of your fears you make parade; cheer up! I have three uncles bearing arms; nine cousins went to war's alarms and yet my smile retains its charms; cheer up! They say we'll soon be short of meat; we'll be deprived of corn and wheat, but, while we have enough to eat, cheer up! They say we'll bear upon our backs the burden of a frightful tax; just now no man that burden packs; cheer up! They're saying this, and saying that, designed to knock our spirits flat, and "they" are talking through a hat-cheer up! Don't cross a bridge until you're there; the hopeful chap; you'll never help him win a scrap by having tears upon your map; cheer up. Just now we need no talk o gloom no prophecies of dole and doom; be cheerful as the flowers in bloom -cheer up!-Walt Mason.

# Health About Gone

Many thousands of women suffering from womanly trouble, have been benefited by the use of Cardui, the woman's tonic, according to letters we receive, similar to this one from Mrs. Z. V. Spell, of Hayne, N. C. "I could not stand on my feet, and just suffered terribly," she says. "As my suffering was so great, and he had tried other remedies, Dr. -- had us get Cardui. . I began improving, and it cured me. I know, and my doctor knows, what Cardui did for me, for my nerves and health were about gone."
