

LOCAL AFFAIRS

Gardening is now on in full swing in this section.

Attorneys F. A. Linney and E. S. Coffey are attending Avery county court this week.

Mrs. Crumley, wife of Capt. C. G. Crumley, is spending a few days with her sick mother in Johnson City, Tenn.

Mr. A. L. Alexander, of Charlotte, and daughter-in-law, Mrs. W. L. Alexander, of Blowing Rock, were in town Saturday afternoon.

Mr. Stephen South, of Beaver Dam, has moved to the home of his brother, Mr. Austin South, and will farm the lands of his other brother, Mr. R. B. South, this season.

Mrs. Grover Triplett, of Lenoir, with her attractive little daughter, Miss Anneal, is a visitor at the home of her parents, Mr. and Mrs. J. M. Moretz, in Boone.

Mr. Wiseman Green, a local Baptist minister of the Brushy Fork section, who was well advanced in years, died at his home Saturday night, and interment was made the following day.

Rev. F. M. Huggins filled his appointment at Cove Creek Baptist church last Sunday. Services were held Saturday afternoon, Sunday morning and Sunday afternoon.

Mr. C. S. Sherwood, traveling salesman out of Bristol, was taking orders in Boone yesterday for feeds and grains, this being his first trip to Boone for some time, on account of a serious attack of pneumonia, following influenza.

Attorney and Mrs. J. F. Spainhour, of Morganton, arrived in Boone Saturday, Mr. Spainhour going on to Newland court Monday, Mrs. Spainhour remaining here for a few days visit to her daughter, Mrs. I. G. Greer, and other relatives and friends in Boone.

Rev. L. C. Wilson, of Hunter, Tenn., was a visitor in Boone on Monday. It seems that while the Reverend gentleman resides in another state, there are attractions for him in Watauga that are constantly calling him back.

Glad to see Mr. James Lovill at home again after a siege of several weeks in the Long Sanatorium, where he underwent a most serious operation for appendicitis. He is not yet well, but is able to be out, and it now seems that he is on the road to permanent recovery.

Mr. Geo. F. Coffey, of Blowing Rock, returned last week from Hickory where his little boy was operated on for adnoids, etc. by Dr. Speas. He speaks in very high terms of the professional skill of the surgeon, and recommends him to the public in the highest terms.

Mr. Everette Beach, of Seattle, Washington, with his wife and baby boy, is in for a visit of a few weeks to his parents, Mr. and Mrs. A. W. Beach, in Boone. Mr. Beach went west more than eleven years ago, and by close application to business, has accumulated a snug sum, and he deserves it, as he was one of Watauga's choice young men. All are glad to see him back again, even if his stay is to be short.

Mr. L. L. Critcher, who has held a position with the People's Bank and Trust Co., has resigned to take up other pursuits. The vacancy was quickly filled by Miss Ethel Lewis, and, while we would say nothing whatever detrimental to the gentlemen who have had that institution in charge it only takes a glance around the rooms to convince one that the deft hand of a lady has gotten in its work—why, the very furniture has a newer and more inviting appearance.

WANTED—A GIRL to do general house work. W. R. Gragg.

Mr. James Moore is off to Charlotte this week on business for the Highway Motor Co.

Mr. R. M. Green tells us that Mr. Pink Winkler and entire family are down with influenza.

Drs. J. W. Jones and McG. Anders attended the meeting of the State Medical Association which was held in Charlotte the first of the week.

Young Darrell Lewis, son of Mr. and Mrs. H. M. Lewis, who reside near the Training School, had the misfortune to get his left arm broken just above the wrist. There being no doctor in town, he was hurried to Valle Crucis, where Dr. Perry set the broken bones.

Mr. W. L. Wilson, contractor on the street work in Boone, was up from Lenoir Tuesday looking over the situation, and to determine just when the town authorities wanted him to resume work. He got no definite information, but it is hoped he will return ere long, as the completion of the work would mean much to our town for even this season.

Mrs. J. Turner Hendrix has returned from Johns Hopkins Hospital, and, we are glad to know, is very much improved in health. She is now able to be up a good part of the time, and is rapidly regaining her strength—in fact, she is looking very much better than she did when she left home some eight weeks ago, regardless of the trying ordeals through which she has passed. Her mother, Mrs. L. L. Critcher, who was at her bed-side during her long illness, returned with her.

Mr. Bob Campbell, Supt. of the construction work on the new Methodist church in Boone, has arrived, bringing with him a brick machine which he has put in place on the lands of Mr. J. S. Winkler, near town. Some hands are now engaged in putting the yards in shape, building toolhouses, etc., and it is the opinion of Mr. Campbell that he will be actively engaged in making brick for the big edifice by the latter part of next week. Bob is a hustler and may be depended upon to push the work to completion at as early a date as possible.

Last Sept. Mrs. J. W. Horton, of Vilas, went for a visit of weeks to her son, Mr. W. J. Horton, at Farrell, Penn. Early in January Mr. Horton left for a short visit to his son, expecting to accompany his wife back home. Soon after his arrival at Farrell he contracted influenza, which was followed by pneumonia, and for some time his recovery was considered very doubtful. However, the disease yielded and he was nursed back to health and strength, and last Saturday, the venerable Confederate veteran, his wife, and son, who accompanied them on their return, passed through en route to their home, Mr. Horton having stood the trip splendidly.

A Writer of Note Visits Boone.

Mrs. Crete Hutchinson, Special Writer, of Washington, D. C., was a visitor in Boone a short while Saturday afternoon. Her mission in this section of North Carolina is to gather data for a 64-page publicity booklet for the "May View Park" Development Company, at Blowing Rock; Mr. W. L. Alexander, of Charlotte, being the promotor of the huge building program now on in that progressive resort town. The booklet will be profusely illustrated, and will contain an elaborate write up of the far-famed Blowing Rock section, which is attracting the attention of the entire country. The edition will be a very large one, and, doubtless, will attract thousands of visitors, as well as investors, to that highly favored section.

WANTED—WHITE WOMAN OR grown girl to do general housework in family of four in Birmingham, Alabama. Apply in person or by letter to Rev. J. M. Downum, Boone N. C.

GET READY!

Spring is here. The ground is calling for a crop. Conscript your army of tools. Examine your barracks now. See that every weapon is fit. Don't take chances. Weeds laugh at poor tools.

Our ranks are complete and every soldier is perfect. General tools to private tools.

Give them a review now while they are in battle formation—and the prices are modest and shy.

When in need of any kind of farming implements, call on us and get our prices before you buy.

A WORD TO THE AUTOMOBILE OWNER

We have in stock the following sizes of tires, and tubes: 30 x 3, 30 x 3 1/2, 32 x 3 1/2, 32 x 4 and 34 x 4, and our prices are right as we bought before the advances came on. We are in a position to save you anywhere from five to ten dollars on each and every tire, so it will pay you to see us before you 'shoe' your car this spring. The Hartford Tire is a tire with a

great record behind it, and all that use it are well satisfied with their service.

BOONE FORK LUMBER CO. BOONE, N. C.

If paint could be sold at so much a square yard of covering, this would quickly show why a gallon of Hanna's Green Seal is more economical than "cheap" paint. Add to this Green Seal's longer service, and new light is shed on the question "Which paint is cheapest?"

You need a trustworthy paint on your property. One that gives the maximum of covering protection and beauty. The exact formula appears on every package of Green Seal Paint.
