**Pains Were Terrific**  
Read how Mrs. Albert Gregory, of R. F. D. No. 1, Blufford, Ill., got rid of her ills. "During... I was awfully weak... My pains were terrific... I thought I would die. The bearing-down pains were actually so severe I could not stand the pressure of my hands on the lower part of my stomach... I simply felt as if life was for but a short time. My husband was worried... One evening, while reading the Birthday Almanac, he came across a case similar to mine, and went straight for some Cardui for me to try."

"I took it faithfully and the results were immediate," adds Mrs. Gregory. "I continued to get better, all my ills left me, and I went through... with no further trouble. My baby was fat and strong, and myself—thank God—am once more hale and hearty, can walk miles, do my work, though 44 years old, feel like a new person. All I owe to Cardui." For many years Cardui has been found helpful in building up the system when run down by dissipated pleasures to women.

**Oil of Juniper Tar from Northern Africa**

"There is also that Juniper, whose heart-wood yields an oil that healeth skin affections."

**I**N the stony wastes of Northern Africa, land of Arab sheik and wandering Bedouin, there grows a low juniper tree, whose heart-wood, roasted in ovens, gives up an oily, brownish, tar-like liquid of a smoky taste. Since time immemorial natives of the region have used this oil for various skin affections.

**O**IL of Juniper Tar contributes to the value of Vicks VapoRub in skin eruptions and itchings, poison oak, nettle rash, cuts, burns and bruises. Its vapors assist in overcoming cold troubles.

The U. S. Dispensary, our national authority on the uses of all drugs, mentions the use of Oil of Juniper Tar by the North African tribes, and adds:

"More recently it has been largely used in the treatment of chronic eczema, psoriasis and other skin diseases, and has been found to be an excellent parasiticide."

For all Cold Troubles
