## DINNER FOR JULY THE FOURTH.

The Watauga Post American Legion is straining every nerve to make the Fourth of July celebration in Boone the biggest, the best and the longest to be remembered of any one of its kind ever held in the western part of the State, and it seems they are going to succeed, if untiring energy well expended, judicious advertising and the help of all our people, locally, stand for anything. The boys are dealing with such things as speakers for the occasion, aeroplanes, bands, and ways and means by which money can be raised to defray the big expense of the occasion, but, to our mind, one of the most important features of the occasion is not being stressed enough as the Glorious Fourth approaches, and that is dinner for the vast crowd of people that is sure to be here on that day. The soldier boys from four counties are expected, and the assembly will number well up into the thousands. To feed them is a duty that must be performed by the good housewives of our dear old county, and our women, God bless 'em, has never failed when the needs, comforts or pleasures of the boys who fought our battles "over there", were at stake. All this preliminary to insisting that each family bring a well-filled hamper of the best food procurable. The Fourth is to be a red letter day in Boone, and the dinner, which will be of the best, one of the attractions, about the noon hour.

## OFF TO GREENSBORO.

Mr. EDITOR: The Boone Fork Manufacturing Company, thru their attorneys at Asheville and Baltimore has caused several of our citizens to be summoned before Judge Boyd in the Federal Court at Greensboro today for contempt, all because these laboring men have been seeking in our State courts of law to collect the hard-earned money this Company owes them and fail and refuse to pay. Judge Boyd, of the Federal Court, is a great Judge, and we expect nothing unjust at his hands. Here's to you, boys, we are with you with a whole heart.—Reported.

## TRAINING SCHOOL NEWS

Athletics have played a major part in the school life recently. Thursday of last week the students met the Faculty on the diamond with the result of a close score of 12 to 13. Odds were in favor of the students, they having played ball recently and to having a larger number from which to pick players from. Wright and Boyanton were batterers for the professors. Swift and Lankford for the students, Bingham pitching the last three innings. Boyanton made a four base hit, a student doing the same. Hillman and Randolph also played a good brand of ball. Wilson and Hamby umpired the game.

On Saturday afternoon, students, teachers and town folks gathered at the base ball diamond below the school to witness the Grammer Grade Primary public school music classes in mortal conflict. Mr. Greer bravely took his life in his hands consenting with fear to umpire the game with the assistance of Mr. Wilson at the bases. Mr. Greer pleaded to be allowed to carry a six-shooter but Miss Gilchrist who is a member of the citizenship class ruled this out as the said class has declared itself in favor of a single standard for men and women and that the womans. So with only a rolling pin, the woman's weapon and with the moral support of Hillman and Boyanton some great decisions were rendered by Mr. Greer. Battery for grammer grades, McCauley and Miller, and Minnish and Dula for the primaries. The pitching of McCauley for the grammer grades was excellent and the batting of Gilchrist and Bumgardner easily gave this team the priority. The primaries did not score until the fifth, Hendrix bringing in the first run, three runs were made in the sixth making the score 16 to 4 in favor of the grammer grades. After the game candy was served.

Mr. Wright spent the week-end in Charlotte.

Saturday morning Mr. Brown of the State Welfare Board and Dr. Crane of W. N. C. lectured to several classes on the welfare work in the state, especially among the mental defectives.

A committee of the faculty and one representative from each county are doing energetic work preparatory to the stunt night program to be given Friday night. Messers Boyanton, Wilson and Miss McCauley are a special advisory committee. A prize will be given by the Legion for the best stunt.—Anson.

## TEACHERS HIKE UP GRANDFATHER

Monday morning in spite of threatening clouds and weather warnings, one hundred and fifty students with Messers Hillman, Boyanton and Smith as "Chaperones" boarded the train for Linville Gap and thence to "hike it" up Grandfather mountain. The advance division succeeded in reaching the summit and meeting the remainder of the attempted to disauade them with ... and soaking wet ... mounting the ... nothing daunt ... the over ... cold ...

## BOONE 4th CELEBRATION BEST EVER

All hands are busy with arrangements for Boone's old time 4th of July celebration and no stone is being left unturned to make this years affair the best ever. The advertising is all out and committees are more than doing their share to make it a booster and prizes for the various sports events are going to be many and valuable. The sport committee reports an excellent program of all kinds. A number of new features will be added this year, including races for old and young, women and men, and girls and boys. Two ball games will also be played that day. The Lenoir American Legion band will furnish music all day long and a concert in the evening.

The Appalachian Training school grounds have proven an ideal place for the big family picnic dinner, besides most of the sports and addresses will come off there. There is plenty of shade for everyone, and an ideal picnic ground. Besides the aeroplanes perhaps one of the biggest features of the day will be the radio program. The wireless instrument will be installed in a place where all can here the various numbers and as it is comparably new and many have never had the good fortune to see or hear one of the instruments this will afford an excellent opportunity for all. Boone invites all and will endeavor to have all feel at home while here.

A Box Supper in the interest of the Brushy Fork baseball team will be given at Brushy Fork school house, Saturday, June 24, at 7:00 p. m. A cake is to be cut by the pretty girl. Everybody invited.
