"Strong and Well"

"I WISH you could know how much I am improved since taking the Cardui," writes Mrs. Nannie Brown, of Black Rock, Ark. "You wouldn't know me for the same weak invalid I was before I took it. At my... I had to keep off my feet or I would fall. I couldn't do my housework, and just got where I'd most as lief be dead as living. Some one told my husband of Cardui. He got

it for me and I took three bottles before I stopped—then off and on for the last three years just as a tonic. I saw a decided improvement after my first bottle. I used the three, and was able to do my work with ease, and now I sew for my family and for others. I am feeling fine, and strong and well." Take Cardui! It may be just the medicine you need.
