The diamond is Nina's talismanic gem. It is the emblem of fearlessness and invincibility and promises its wearer success in all undertakings and freedom from misgivings.

Through the English Hannah, it came to France as Anne and was soon given the diminutive, Annette. As Annette, it appeared simultaneously, but the French love of variety changed the latter form to Ninon and finally Nina.

The beauty and fame of Ninon de Lescaux, superwoman and court favorite in the reign of Louis XIV, spread her name afar. It became almost a synonym for charmer and the means of several countries coveted it.

But Nina is too Gallic for English eyes. So, in its transportation across the channel, the ending underwent a change and Nina was the final result. It has enjoyed extraordinary vogue in this country.

Here is Your Opportunity to Own Your Own Home

The Watauga Building and Loan Association opened the fifth series July the first. With the opening of the fifth series this Association enters upon its third year, during which time many people of our community have been aided in the ownership of a home. We want every citizen of our town and county to be a home owner and to this end we invite those who want to build or repair to take shares in this series and file their application for a loan which can be had with reasonable promptness. WHEN youth packs up its text books, turns its back on the friendly old university with visible signs of relief, and faces the staid world, there is in the heart of every man and woman that he and she have been cast for the leading part in life's great drama.

The curtain is slowly rising. Expectancy is on tip-toe. The orchestra is playing a lively air, each tripping note being full of promise.

It is an ancient scene set with new faces, contrasting in some particulars with the fresh verdure, the blooming flowers, the chirping birds making love and building nests, guided not by college lore, but by an innate instinct which keeps every bird in its place, contented with its lot, and happy in performing its humble part.

With Nature there is no chance of anything going wrong, but with Nature's proudest handiwork, man and woman, there is grave doubt as to whether this rule in the majority of cases would apply.

Imagination carries the young in one swift ascent to the heights, which the old and experienced know cannot be reached except by patient, persistent work and self-denial, the price exacted from all regardless of condition.

And here is a lesson which cannot be learned except by rubbing against the practical world. It is easy to sit in a cushioned chair and dream of conquest, so difficult when in action.

It is something else to face the world bare-handed and demand that it shall give up its choicest gifts. No victory can be won except by hard fighting.

"Strong and Well"

"I WISH you could know how much I am improved since taking the Cardui," writes Mrs. Nannie Brown, of Black Rock, Ark. "You wouldn't know me for the same weak invalid I was before I took it. At my... I had to keep off my feet or I would fall. I couldn't do my housework, and just got where I'd most as lief be dead as living. Some one told me husband of Cardui. He got it for me and I took three bottles before I stopped—then off and on for the last three years just as a tonic. I saw a decided improvement after my first bottle. I used the three, and was able to do my work with ease, and now I sew for my family and for others. I am feeling fine, and strong and well."

Take Cardui! It may be just the medicine you need.
