Local Affairs  
Town and County

Miss Nanette Rivers opened school at Do e Ridge School house Monday morning.

The fall term of Watauga Superior Court will convene on Monday Sept. 1, with Judge Long in charge.

Mr. and Mrs. T. M. Norris of Brownwood were visitors at Mr. I. S. Greene's Monday.

Miss Una Corpening of Lenoir, returned home on Tuesday after spending a week as the guest of Miss Margaret Hahn.

Dr. R. B. Killian of Lincolnton, spent the week end on his valuable New River farm and in looking over some other properties in Watauga.

Mr. Zach Linney, son of Dr. Linney of Charlotte is spending a few days at the home of his uncle Mr. F. A. Linney.

Rev. William Walker, Methodist minister of Mount Airy visited at the home of our townsman Mr. Will C. Walker last week.

The remaining fragment of the old Civil War veterans will hold their annual reunion at the Training School Sept. 4 and 5. Program for the two days will be published later.

Miss Velma Rivers who has been spending a few days in Washington City, the guest of Mrs. J. G. Pulliam, writes that the weather is intensely hot there. She will return the latter part of the week.

Mr. Bill Lovill who recently returned from an auto trip to Canada with his uncle and aunt Mr. and Mrs. James Brawley, of Greensboro is at home in Boone for the remainder of his summer vacation.

Mrs. C. C. Adams of Silverstone who has been very ill at the home of her daughter Mrs. Josie McGuire, in Boone is, we are sorry to learn, very much worse as we close our doors Wednesday night.

Mr. and Mrs. W. C. Greene of Ohio are visiting relatives in North Carolina. We are glad to have them back again. Mr. Greene says the improvement in Watauga since he went away are almost unbelievable.

Mr. H. J. Hardin is going over his hotel property and giving it a thorough overhauling throughout. The entire building is being given a new metal roof, the chimneys and flues thoroughly repaired, and much work is being done on the interior.

Rev. Walter A. Stanbury and family of Raleigh are here for a short vacation and rest for the hard worked pastor. They are occupying the residence of Mr. Clay Winkler just below the home of Mr. Stanbury's parents.

Mr. and Mrs. Hill Cottrell of Broadmax, Va. were week end visitors to relatives in Boone. Mr. Cottrell, we are glad to know, contemplates coming to Boone to locate, but we are not informed as to what line of business he expects to enter.

Mr. Allen, hotelier, of Mountain City, Tenn., was a visitor here Sunday and Monday. He is much pleased with our new hotel and is very anxious to either lease or rent the property. There are a number of others interested along the same line.

Mr. Lee Henson and family of Florida, passed through on their return Tuesday after a few days visit to the haunts of Mr. Henson's boyhood on Cove Creek and Beaver Dam. He is a son of the late Jordan Henson of Cove Creek.

Misses Pearl Felton and Hazel Hicks of Bristol, Tenn. are spending a few days this week with their friend Miss Anna Lee Trivett. This being their first trip to the mountains they seem to be enjoying the climate and

scenery very much.

Mr. E. E. Johnson of Gastonia, joined his family here yesterday forenoon and today is moving them to his home on North Water Street recently purchased from F. A. Linney. He will return to his home tomorrow but later expects to locate permanently here.

Mr. W. E. Shipley of Wallace, Va. is in Watauga for a few days plying his old trade of cattle-buying. No man ever proved a better buyer to our people and we take it Ed will pay the best price possible, the low prevailing figures considered.

Fat cattle are beginning to move from Watauga now, but the prices are unusually low. Mr. E. L. Holler, one of our shippers, told the Democrat Monday that the prevailing price was 3 1-2 to 4 cents gross. This lends very little encouragement to cattle raisers.

Mr. Clyde Miller, formerly of Watauga, but for a number of years past a soldier in the U. S. Army, 18 months in France, has returned to his headquarters in Cleveland, Ohio, after a short visit to relatives in the county. He was at the home of his aunt, Mrs. M. B. Blackburn in Boone for a few hours Saturday evening.

Dr. J. M. Hodges and son Lynum were in town Sunday. The doctor's pretty residence on Greene Heights is nearly completed and it is his intention to occupy it early in September. He left via auto for Raleigh Tuesday morning to attend the special session of the legislature which convenes today. He is Avery's representative in the general assembly.

The Sunday School institute of the Methodist church Tuesday was attended by a large band of church workers, and a very interesting study was promoted by the Sunday School Superintendent of western North Carolina conference. The ladies of the Woman's Missionary Society gave a delicious dinner to the workers, assembled.

Mr. Henry Clowson army officer with his wife and three interesting children is spending his annual vacation at the home of his mother, Mrs. Jacob Clowson in Rettersville. Mr. Clowson has been stationed at Charleston, S. C. for the past four years. He served in the army for a period of 20 years, two of which were spent in France. He and his family were in town Tuesday doing some shopping and renewing old acquaintances.

We are asked to announce that there will be an entertainment given at Rocky Point school building on Saturday evening August 9. Prof. Greer of the Training School will be present and give an address. Ice cream and pies will be sold the proceeds to be used for the school. Everyone is cordially invited to come and especially the people of this and surrounding communities are urged to come out and enjoy the evening together.

The Democrat was honored yesterday afternoon by a most pleasant call from Editor Ben Laves of the Yellow Jacket of Mountain Falls with his wife and three daughters, Misses Thelma, Rose and Virginia. They were accompanied by the Rev. Arthur Tinsdale Abernathy a prominent divine of Asheville, his wife and daughter Miss Anna Mae. Their visit was greatly appreciated by the Democrat force.

Dr. Edgar Moore has opened up the office over the Boone Drug Co., for the general practice of dentistry. He will give a free clinic for children under six years of age every Wednesday afternoon. This will include fillings, extractions and prophylaxis. Dr. Moore is a recent graduate of the University of Maryland and a son of Mr. J. B. Moore of Caldwell county. An X-Ray will be installed in the office of the doctor within a short time.

Mr. J. Roby Hagaman one of Watauga's former citizens, is spending a short while with relatives and friends in Watauga, after an absence of more than 20 years, during which time he has resided in the state of Washington. Mr. Hagaman although he has rounded out his three score and ten years is looking well, enjoying the best of health, and we are glad to know has succeeded well since he left his native county. His many friends here are glad to see him again after his long absence.

Mr. David Wagner of Roanoke, Va. who is visiting her brother and other relatives and friends in Watauga was a caller at this office on Monday. Mr. Wagner left his home at Valle Crucis 31 years ago, worked his way up to locomotive engineer on the Norfolk & Western Railway, and worked in that capacity for a number of years. However in 1910 he met with an accident on his engine which came near costing him his life. He eventually recovered but has never since taken up active work on the road, but still maintains his city home with his family. He is simply astounded at the progress his home county has made during his long absence, and is frank in saying that Western Carolina is the best country he has ever seen.

THREE FORKS ASSOCIATION  
The Three Forks Baptist Association will convene with Pleasant Grove Church on Tuesday August 12. Note the change of time.  
We trust that members of the standing committees will all be present with their reports. May we not have every preacher of the association present?  
SMITH HAGAMAN, Moderator.

Chills, & Stomach Trouble  
MR. N. A. SMITH, of Shaw, Miss., says he can't remember being without Thedford's Black-Draught liver medicine since he and Mrs. Smith began keeping house, many years ago. "When we have chills," says Mr. Smith, "Black-Draught is what we use and we find it just splendid. I had a bad case of stomach trouble. I couldn't eat enough and was very weak. Everything I ate hurt me, formed gas and I spit up my food. I would feel stupid or staggy. I didn't feel like doing any work. I knew what Black-Draught had done in colds and I began taking small doses. I certainly got relief. It did me lots of good. "When I go to town, I look first to see how near out of Black-Draught we are, and then get more. We are a good way from the doctor and keep our home remedies and the main one is Black-Draught."  
In hundreds of thousands of homes, housekeepers keep Black-Draught on the shelf, handy for use when needed, as a household remedy to relieve constipation, biliousness, indigestion, and many other simple ailments. "A dose in time saves nine." A dose of Black-Draught costs only one cent. It may save you a big bill for medicine later on. Keep it on your shelf. Buy it at your store. Get a package today.
