

Madron WILD WEST SHOW

FAIR GROUNDS AT MTN. CITY, TENN.

SATURDAY SEPT. 27th

AT 1 P. M.

This show will be by far the biggest and best show of its kind ever seen in this section. A continued stream of exciting, thrilling and daring features, seeing the cow boys and cow girls riding the bucking broncos, rope, tie and brand the calves as it is done out west and bulldog the long horn steers.

The most daring feature ever witnessed will be the riding of the vicious unruly buffalo, which we assure will be done.

"TEXAS JOE"

Don't forget the steer Texas Joe which has never been ridden. He will endeavor to hold his world's records. We have the prairie coyotes, which are very interesting animals.

RIDING CONTEST \$25 in CASH PRIZES

In connection with the show there will be a riding contest for local men only. None of the expert riders will be allowed in the contest, riding to be bareback with surcingles only. All interested in the contest see Russ Madron by Friday the 26th.

ALARMING!

The kidneys should filter the blood, and when they are out of fix, the blood stream is just filled with poisonous uric acid.

Carried to all parts of the body, this poison causes backaches, headaches, rheumatic pains, heaviness, drowsiness, rickiness, irritability or depression and distressing bladder troubles.

But that isn't the worst of it. In chronic neglected cases, the excess uric acid is apt to form into gravel or kidney stones, and to cause gout, sciatica, dropsy and even Bright's disease.

Let the first pain in the back be your warning. Get a bottle of Dr. Pierce's new Au-uric tablets (anti-uric acid). Your druggist can tell you about this new discovery for bad kidneys. Or, send 10c for a trial package to Dr. Pierce, Pres., Invalids' Hotel, Buffalo, N. Y.
